RE: Willows Unified School District Educator Effectiveness Block Grant Implementation Plan

PRESENTER: Scott Booth, Director of Curriculum, Instruction and Assessment

EEBG Amount: \$313,885.00

BACKGROUND INFORMATION:

Stemming from the passage of the 2015 Budget Act, through then Governor Brown's trailer bill SB 103; the Educator Effectiveness Block Grant was appropriated to provide LEA's additional funds for the purpose of enhancing the effectiveness of teachers and administrators. Codified in Ed Code § 41480 through the passage of AB 130 and bolstered by the State budget in late June 2021, the Educator Effectiveness Block Grant (EEBG) has been appropriated \$1.5 billion in one-time Prop. 98 funds that will be available over five years, in order to provide LEA's with resources to expedite professional development for teachers, administrators and other in-person staff.

Educator Effectiveness Block Grant (EEBG) funds may be used to support the professional learning for certificated teachers, administrators, paraprofessional educators, and certificated staff. Funds can be expended for any of the following purposes:

1. Coaching and mentoring of staff serving in an instructional setting and beginning teacher or administrator induction, including, but not limited to, coaching and mentoring solutions that address a local need for teachers that can serve all pupil populations with a focus on retaining teachers, and offering structured feedback and coaching systems

organized around social-emotional learning, including, but not limited to, promoting teacher self-awareness, self-management, social awareness, relationships, and responsible decision making skills, improving teacher attitudes and beliefs about one's self and others, and supporting learning communities for educators to engage in a meaningful classroom teaching experience.

2. Programs that lead to effective, standards-aligned instruction and improve instruction in literacy across all subject areas, including English language arts, history-social science, science, technology, engineering, mathematics, and computer science.
3. Practices and strategies that reengage pupils and lead to accelerated learning.
4. Strategies to implement social-emotional learning, trauma-informed practices, suicide prevention, access to mental health services, and other approaches that improve pupil well-being.
5. Practices to create a positive school climate, including, but not limited to, restorative justice, training around implicit bias, providing positive behavioral supports, multi-tiered systems of support, transforming a school site's culture to one that values diverse cultural and ethnic backgrounds, and preventing discrimination, harassment, bullying, and intimidation based on actual or perceived characteristics, including disability, gender, gender identity, gender expression, language, nationality, race or ethnicity, religion, or sexual orientation.
6. Strategies to improve inclusive practices, including, but not limited to, universal design for learning, best practices for early identification, and development of individualized education programs for individuals with exceptional needs.
7. Instruction and education to support implementing effective language acquisition programs for English learners, which may include integrated language development within and across content areas, and building and strengthening capacity to increase bilingual and bi-literate proficiency.
8. New professional learning networks for educators not already engaged in an education-related professional learning network to support the requirements of subdivision (c).
9. Instruction, education, and strategies to incorporate ethnic studies curricula adopted pursuant to Section 51226.7 into pupil instruction for grades 7 to 12, inclusive.
10. Instruction, education, and strategies for certificated and classified educators in early childhood education, or childhood development.

There are a number of these activities that Willows Unified School District (WUSD) has already undertaken and put into place in order to support and improve teacher and administrator effectiveness.

There is no specific State template for the development of the EEBG plan, as the LEA should develop its own. However, WUSD is currently developing our team, tasked with reviewing EEBG plan requirements, to develop our EEBG plan which will be submitted to the Board on December 9th, 2021. All planned expenditures will be in compliance with EEBG plan.
