AGENDA TOPIC: Approval of 2021-22 First Interim Budget

PRESENTER: Debbie Costello, Director of Business Services

Background Information:

Education Code requires districts to submit board approved budgets to the Superintendent of Public Instruction (SPI) during the fiscal year. Education Code 42130 and 42131 require that budget reports and certifications are in a format or on forms prescribed by the SPI. The 2021-22 First Interim budget with certification pages is prepared using the Standardized Account Code Structure (SACS) software that complies with the education code. The First Interim report reflects a snapshot of the districts fiscal health as of October 31, 2021.

The LCFF funding estimate has been updated using the FCMAT revenue calculator version v22.2b. The 2021-221 LCFF calculation is based on the 2019-20 P-2 ADA (average daily attendance) funding guarantee pursuant to the 2021-22 State adopted budget. Current enrollment has increased as compared to 2021-22 Adopted Budget projections, providing increased LCFF funding projections in 2022-23 and 2023-24. This impact is reflected in the multi-year projections included with this report.

Since budget adoption, several other adjustments have been made that impact the projected ending fund balance. Revenue and expenditures for COVID Relief and other restricted programs have been updated consistent with actual 2020-21 ending balances. Variances to funding levels and related expenditures for other State, Federal and Local programs have also been reflected in this budget update. Variances to actual staffing costs for positions filled after budget adoption have been reflected in the budget and future years. The actual impact of negotiations finalized after completion of the 2021-22 adopted budget are incorporated at First Interim. New and modified positions have also been included. Additional instructional and pupil support resources, facilities repairs, capital outlay for vehicle replacements, allocations of carryover funds, and other priorities have been incorporated in this budget update as well. New programs including the A-G Completion Grant, Educator Effectiveness Block Grant, TK Expansion / Universal TK, and various other new programs that are in development will be included in the Second Interim budget update.

The attached Fund forms, Supplemental forms, and Criteria and Standards provide the details and impact of the First Interim budget update.

SSC School District and Charter School Financial Projection Dartboard 2021–22 Enacted State Budget

This version of the School Services of California Inc. (SSC) Financial Projection Dartboard is based on the 2021–22 Enacted State Budget. We have updated the cost-of-living adjustment (COLA), Consumer Price Index (CPI), and ten-year T-bill planning factors per the latest economic forecasts. We have also updated the Local Control Funding Formula (LCFF) factors. We rely on various state agencies and outside sources in developing these factors, but we assume responsibility for them with the understanding that they are general guidelines.

³Amount represents the 2021–22 statutory COLA of 1.70% plus an augmentation of 1.00%, compounded with the 2020–21 unfunded statutory COLA of 2.31%.

⁴Additional funding is provided for students who are designated as eligible for free or reduced-price meals, foster youth, and English language learners. A 20% augmentation is provided for each eligible student with an additional 65% for each eligible student beyond the 55% identification rate threshold.

⁵California Public Employees' Retirement System (CalPERS) and California State Teachers' Retirement System (CalSTRS) rates in 2021–22 are final. Rates in the following years are subject to change based on determination by the respective governing boards.

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since budget adoption, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.
