PRIME BIDDER CERTIFICATION OF DISABLED VETERAN BUSINESS ENTERPRISE PARTICIPATION

To be completed by the Prime Bidder.

GENERAL INSTRUCTIONS

All or part of the funding for the proposed work/services/equipment/supplies for which your firm is bidding has been made available by the State Allocation Board (SAB) through the Lease-Purchase Program or the State Relocatable Classroom Program and as a result, the contract award must be made in accordance with the SAB participation requirements for Disabled Veterans Business Enterprises (DVBE). The SAB requires that all contracts over \$10,000 awarded must meet a DVBE participation goal of not less than three percent of the contract amount. *If your firm cannot meet the three percent DVBE participation goal, you must demonstrate a good faith effort to attempt to meet the three percent participation.* The school district issuing this solicitation document, not the SAB/OPSC, is responsible to assure compliance with the DVBE program.

PART I—IDENTIFICATION INFORMATION

BIDDER'S NAME SnL Group, Inc.		TELEPHONE (530) 222-5048
BUSINESS ADDRESS 9818 Holton Way, Redding, CA 96003		
SCHOOL DISTRICT Willows USD	COUNTY Glenn	APPLICATION NUMBER

PART II—METHOD OF COMPLIANCE WITH DVBE PARTICIPATION GOALS

Include this form and any other applicable documents listed in this table with your bid/proposal. Read the three columns in the table below as sentences from left to right. Check the appropriate box to indicate your method of committing the contract dollar amount. If no box can be checked, your bid/proposal will be deemed non-responsive and disqualified.

Important Note

Architectural, engineering, environmental, land surveying or construction management firms must indicate their method of compliance by marking the appropriate box A, B, C, or D after selection by the district and before the contract is signed.

YOUR BUSINESS ENTERPRISE...	AND YOU...	AND YOU...
A. <input type="checkbox"/> is Disabled Veteran owned and your forces will perform at least three percent of this contract	will include a copy of your DVBE letter from the Office of Small Business and Disabled Veteran Business Enterprise Services (OSDS).	
B. <input type="checkbox"/> is Disabled Veteran owned but is unable to perform the three percent of this contract with your forces	will use DVBE subcontractors/suppliers to bring the contract participation to at least three percent	will include a copy of each DVBE letter from OSDS (including yours, if applicable).
C. <input checked="" type="checkbox"/> is not Disabled Veteran owned	will use DVBE subcontractors/suppliers for at least three percent of this contract	
D. <input type="checkbox"/> is unable to meet the required participation goals	will complete a Good Faith Effort to obtain DVBE participation	will include the Prime Bidder's Good Faith Effort Worksheet.

Note

An Office of Small Business and Disabled Veteran Business Enterprise Services (OSDS) letter must be attached for each DVBE participating in the contract. The DVBE letter is obtained from the participating DVBE. If the letter is not provided, the bid may be deemed nonresponsive and may be ineligible for award of the contract.

PART III—DVBE DOLLAR PARTICIPATION OF BID/PROPOSAL

Architectural, engineering, environmental, land surveying or construction management firms complete this part after selection by the district and before the contract is signed. All others must complete this section and include it with the bid.

Show deductive alternate(s) in parenthesis. For more alternates/base bids, use a separate page to show items.

- A. If your business enterprise is a DVBE, list in the appropriate column the total dollar amount of your bid to be performed by your own participation.
- B. List all your DVBE subcontractors/suppliers. Enter in the appropriate column the dollar amount for each of your subcontractors/suppliers.
- C. Enter the total of Lines A and B for each column.
- D. Enter the dollar amount of the bid/proposal to be performed by non-DVBE firms. Note: This line is the sum of the prime and subcontractor(s) non-DVBE dollar participation.
- E. Enter the sum of the column totals from Line C and Line D. Note: Please be aware that the final determination of DVBE compliance is made based on the contract amount resulting from the district's acceptance or rejection of alternates.

PROJECT NAME: Willows Intermediate School Modular Buildings Additions (Site), Front Office and Toilet Room Modernization

BID #: Willows Unified School District

BID DUE DATE: 02/09/2023 at 02:00 (local time)

AWARDING AGENCY/OWNER: Willows Unified School District

PROJECT LOCATION: Willows, Gleen, CA

We are seeking quotes from subcontractors, supplier and material providers for, but not limited to: plumbing, HVAC, electrical, doors and hardware, casework, storefront, insulation, drywall, flooring, abatement, acoustical ceiling, paint, fencing chain link and metal, site amenities; decorative rock and benches, landscape/irrigation, hazardous abatement, signage, plumbing, fire alarm and window coverings.

Good Faith contract includes DVBE. SnL Group, Inc. is available to discuss breaking out any portion of work to encourage minority participation.

Subcontractors and supplies can not self certify and must submit DBE Certification, from approved firm as stated within the specs, with your proposal/quote.

SnL Group, Inc.'s estimator can be reached at the office (530) 222-5048, and is available to provide you with any assistance to clarify any questions regarding the scope of work, including interpretation of plans, specifications and requirements, bid preparation and obtaining bonds, lines of credit, insurance and any technical assistance. SnL Group, Inc. may also assist in obtaining any necessary equipment, supplies, materials or related services.

Wage requirements are prevailing wage rates for Shasta County, set forth by the State of California, Dept. of Industrial Relations at www.dir.ca.gov/DLSR/PWD. Each subcontractor must submit proof of current and active DIR Contractor Registration when submitting a quote.

Insurance requirements: each subcontractor must submit proof of workers compensation insurance and obtain work comp throughout the completion of the project.

Requirements: by submitting a proposal/quote, the bidder affirms that they have carefully examined ALL the bidding documents/addenda and that from his/her own investigation, they have satisfied themselves as to the nature and location of the work. SnL's written subcontract documents execution is required of all successful subcontract bids.

Bid For Landscaping

This bid includes installing the landscaping and irrigation per the specifications of plan pages L1.1, L2.1, L3.1, L4.1, L4.2, L4.3, L5.1, Addendum Plans L3.1 and 4.3 and Spec. Section 32 800 and 32 900 (irrigation system and landscape installation). The proposed turf replacement is Zamora Sod Farms Rhizomatous Tall Fescue, no more than 5800 Sqft. Seating rock will be sourced from Montana Rockworks as stated in plans and will be Medium Oversized Dry Stack Size range 2'x2.5'x3' to 3'x3'x4' and can be any of the 3 following types : Castle Rock, Moose Mountain and McGregor Lake. It also includes coming out and installing sleeves prior to the hardscape work. All Area Landscaping will need an area to store 1 or 2 40' shipping containers, plants and equipment during the duration of the project. Material availability is subject to change and may need to be substituted upon the start of work.

Job Price
\$136,251.00

Progress payments will be established if bid is approved.

ROCK CLAUSE: Any additional work that is not in the scope of this bid will also have to be approved via written change order including but not limited to additional time, material and equipment costs for hazards, debris, rocks, broken utilities, or water that require additional time to mitigate. If any of these unforeseen hazards arise work will be stopped and will not continue until a decision making party has been shown the issue and we have worked out a course of action to continue work. All Area Landscaping is not responsible for any costs incurred from broken utilities not marked or listed on plans. No permitting costs are included in the bid price; any required permits that may come up will be required to be paid at that time before work continues. Any rocks larger than 24" that are dug up during excavation will be left on premises. If work is unable to continue for any reason after the start of the job (for example fire, weather, road closures or natural disasters) partial payment for work completed is required and work will continue as soon as it is safe, and access is restored.

GENERAL SPECIAL INSPECTION CONDITIONS:

1. Re-testing due to non-conformance may result in additional fees.
 2. Standard inspection procedures will require no more than NA site visits per 1-man crew. Additional site visits required for work within original scope will be billed at a rate of \$170/hour, with a minimum (TBD) charge to re-mobilize.
 3. Mobilizations and/or time required for meetings or other office work beyond preparation for inspections and/or generating any necessary reports for scope-work are not included and will result in additional fees.
 4. Credits and/or reduction in fees will not be provided for mobilizations not utilized by the time of project completion, nor for "included services" not performed.
- ⁷ Coordination with governing agency to obtain permits and/or other documentation for special inspections agreement.
