**DATE:** August 1<sup>st</sup>, 2024

**AGENDA TOPIC:** Proposition 28 – Arts and Music on Schools Funding Annual Report

**PRESENTER:** Scott J. Booth, Director of Curriculum, Instruction & Assessment

**BACKGROUND INFORMATION:**

Proposition 28, known as the Arts and Music in Schools Funding Guarantee and Accountability Act, was approved by California voters on November 8, 2022. This measure mandates the establishment of an ongoing program to support arts instruction in schools, commencing in the 2023/24 academic year. The program's funding will be determined as one percent of the Proposition 98 funding guarantee, K-12 portion from the previous fiscal year, excluding any funds specifically designated for the Arts and Music in Schools (AMS) programs.

For Local Educational Agencies, which have more than 500 pupils; this funding requires that at least 80 percent of the allocated funds be used to employ certificated or classified employees responsible for delivering arts education and instruction. The remaining funds are to be allocated for training, supplies, curriculum, professional development, materials, and partnerships with arts educational programs.

Each LEA is obligated to submit an annual report, approved by the board, which outlines the arts education programs supported by the AMS program.
