Note: Descriptions below identify major revisions made in CSBA's sample board policies, administrative regulations, board bylaws, and/or exhibits. Editorial changes have also been made. Districts should review the sample materials and modify their own policies accordingly.

BP 4020 - Drug and Alcohol Free Workplace

(BP revised)

MANDATED policy revised to clarify applicability of optional paragraph prohibiting an employee from being under the influence of alcohol or a controlled substance while on duty. Policy defines "on duty" to include instructional and noninstructional time in the classroom or workplace, in extracurricular or cocurricular activities, or in transporting and supervising students and exempts an employee's lawful use of prescription drugs from the prohibition.

BP 5117 - Interdistrict Attendance

(BP revised)

Option 1 in the policy and regulation revised to reflect **NEW LAW (AB 2444)** which requires that, once an interdistrict permit is granted and the student is enrolled in the new school, the district of enrollment (1) may not require the student to reapply, (2) must allow the student to continue to attend the school unless the permit contains specific standards for reapplication, and (3) along with the district of residence, may not revoke the student's existing permit if he/she is entering grade 11 or 12.

BP 5141.21 - Administering Medication and Monitoring Health Conditions

(BP revised)

Policy and regulation updated to reflect **NEW LAW (SB 1069)** which provides that students may now be assisted to take, during the school day, medication ordered by a physician assistant as well as medication prescribed by a physician. Policy and regulation also updated to reflect appeal to the California Supreme Court of a case dealing with the administration of insulin injections to students with diabetes by unlicensed personnel.

BP 6161.1 - Selection and Evaluation of Instructional Materials

(BP revised)

Updated policy and exhibit reflect **NEW LAW (AB 2211)** which revises the definition of "sufficiency of instructional materials" to include materials in a digital format as long as specified conditions are met. Updated regulation reflects **NEW LAW (AB 2694)** which (1) expands the definition of "supplementary instructional materials" to include materials that use current, relevant technology which engages interactive learning, and (2) requires that technology-based instructional materials used in schools be both available and comparable to other, equivalent instructional materials.

BP 6163.2 – Animals on School Property or at School Sponsored Programs and Activities

(BP revised)

Updated policy.

BP 6164.4 - Identification and Evaluation of Individuals for Special Education
