

WILLOWS UNIFIED SCHOOL DISTRICT
Office of the Superintendent

DATE: **June 12, 2014**

AGENDA TOPIC: **Local Control Accountability Plan (LCAP) – Public Hearing**

PRESENTER: **Janet Perez, Director of Categorical Programs**

BACKGROUND INFORMATION:

The LCAP is an important component of the Local Control Funding Formula (LCFF). Under the LCFF all LEAs are required to prepare an LCAP, which describes how they intend to meet annual goals for all pupils, with specific activities to address state and local priorities identified pursuant to *EC* Section 52060(d).

As part of the LCFF, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP), beginning on July 1, 2014, using a template adopted by the California State Board of Education (SBE).

Other accountability components include:

- LEAs must obtain parent and public input in developing, revising, and updating LCAPs.
- County superintendents must review school district LCAPs and ensure alignment of projected spending, services, and goals.

RECOMMENDATION:

This is a Public Hearing.
