Office of the Superintendent

Date: 5/8/14

Request for Placement on Board Agenda:

AGENDA TOPIC: Declaration of Surplus Items of No Value

PRESENTER: Debby Beymer, Director of Business Services

Background Information:

Willows Unified School District has accumulated numerous items that are currently not used because they are broken or obsolete. These items are determined to be of no value to the district. The administration would like to dispose of these items and would request the board declare them as surplus. If the board so acts, the surplus items would be available for auction, thereafter to the general public or employees of the district for a period of ten days. After that time the items would be disposed of through sale to an auto dismantler.
