Office of the Superintendent**

Management Report

DATE: June 25, 2015

AGENDA TOPIC: 2015 CARS (Consolidated Application and Reporting System)* Spring collection

PRESENTER: Janet Perez, Director of Categorical Programs

BACKGROUND INFORMATION:

In the spring, each Local Educational Agency (LEA) must submit a CARS Spring collection to document participation in specified programs and provide assurances that the district will comply with the legal requirements of each program. Program entitlements are determined by formulas contained in the laws that created the programs. The documents included: 2013-14 Expenditure Reporting; 2014-15 End of Year Reporting; and 2015-16 Application for Funding.

**The new reporting system (Consolidated Application and Reporting System – CARS....formerly the ConApp), includes the submission of the reports in three parts: Fall, Winter, and Spring.*

RECOMMENDATION:

Approval of the CARS Spring collection assures funding to the district and schools for supplemental programs/services to staff and students. Approval is recommended.

Title II, Part A Improving Teacher and Principal Quality

The LEA must offer to provide Title II, Part A equitable services that address the needs of nonprofit private school students, teachers and other educational personnel. The enrollment numbers are reported under penalty of perjury by each private school on its annual Private School Affidavit. The information filed in the Private School Affidavit is not verified and the CDE takes no position as to its accuracy. It is expected that districts engaged in private school consultation verify nonprofit status and the accuracy of student enrollment data if it is being used for the purpose of providing equitable services.

Note: Non-unified elementary and/or high school districts that have applied for Title II, Part A funds have the option to add a shared attendance area nonprofit private school if they wish to share responsibility for that school's Title II equitable services.

Title III, Part A Limited English Proficient Student Subgrant Program

On an annual basis, the LEA must consult with all nonprofit private schools within its boundaries, as to whether the private school students and teachers will participate in the Title III, Part A English Language Acquisition, Language Enhancement, and Academic Achievement Program. Consultation with appropriate nonprofit private school officials must be done during the design and development of programs and before decisions are made that affect the opportunities of students and teachers to participate. LEAs may not require documentation that poses an administrative barrier that is inconsistent to their responsibility to ensure equitable participation of private school students and teachers.
