

**SHORT TERM CONTRACT FOR PUBLIC WORK
PROJECT: HIGH SCHOOL ROOFING PROJECT 2017**

THIS CONTRACT made and entered into on March 9, 2017, by and between WILLOWS UNIFIED SCHOOL DISTRICT (hereinafter "District") and GEORGE ROOFING hereinafter (hereinafter "Contractor") (the District and Contractor are also collectively referred to herein as "Parties" and individually as "Party").

WITNESSETH: The parties do hereby contract and agree as follows:

A. SPECIFIC TERMS AND CONDITIONS

1. The Work

- 1.1 The Contractor shall furnish to the District for the total contract price of four hundred and fifty thousand two hundred Dollars (\$538,000.00) the Work specified in the Bid Form and related bid documents attached as Exhibit A which is incorporated herein as if fully set forth.
- 1.2 The Contractor shall meet all of the requirements set forth in Exhibit A and all of the conditions for the Work set forth in Exhibit A shall apply to the Contractor's performance of his obligations under this Contract.

2. Term

- 2.1 The Effective Date of this Contract shall be the date it has been signed by both Parties and approved by the governing Board of the District. This Contract shall terminate when the obligations of both Parties which are set forth therein are fulfilled.
- 2.2 The Work pursuant to this Contract shall begin on or before Saturday, June 10, 2017 and shall be completed on or before Wednesday, August 9, 2017.
- 2.3 Liquidated damages as set forth in Exhibit A shall apply should Contractor fail to complete the Work within the period set forth in paragraph 2.2 above.

3. The Contractor shall not commence Work under this Contract until:

- 3.1 a) the insurance required under Paragraph 23 of the Terms and Conditions set forth below has been obtained; b) satisfactory proof of such insurance has been submitted to the District; and c) said insurance has been approved by the District.
- 3.2 The Contractor has provided to the District:
 - 3.2.1 a performance bond for the Work; and

3.2.2 a payment bond for the Work; and

3.2.3 documentation of all of the required warranties for the Work set forth in Exhibit A.

4. Payment Schedule

4.1 Payment for the Work shall be made in a lump sum upon final completion of the Work and the District's written approval of the Work in accordance with the terms of this Contract (which approval shall not be unreasonably withheld).

4.2 Upon approval of the Work as set forth in paragraph 4.1 above, the Contractor shall provide to the District a final detailed invoice for the Work, along with a release of all liens from all subcontractors who performed or provided material for the Work. The District shall have no obligation to pay for the Work until the Contractor provides such lien release(s).

4.3 The Contractor's invoice shall detail the cost of labor and materials used in performing the Work.

5. Inspection and final approval of the Work shall be performed by the Supervisor of Maintenance (District-wide Maintenance Lead III) for the District, or his authorized representative.

6. In addition to the warranties required in Exhibit A, the Contractor shall guarantee all labor and materials used in the performance of this Contract against all defects in material or workmanship, irrelevant of the cause of the defect, for a period of one (1) years from the date of final written approval by the District. This provision shall survive the termination of the Contract.

7. In case of conflict between this Contract and Exhibit A, the terms of this Contract shall govern.

B. GENERAL TERMS AND CONDITIONS

1. SITE EXAMINATION

Contractor must examine the site where the Work shall be performed and certify all measurements, specifications and conditions affecting the Work to be performed at the site. Contractor warrants that Contractor has made such site examination as deemed necessary as to the condition of the site, it's accessibility for materials, workmen and utilities and ability to protect existing surface and subsurface improvements. No claim for allowance of time or money will be allowed as to such matters or for any other undiscovered conditions on the site.

2. EQUIPMENT AND LABOR

Contractor shall furnish all tools, equipment, apparatus, facilities, transportation, labor, and material necessary to furnish the Work, which shall be performed at such times and places as

directed by and subject to the approval of the authorized District representative designated in this Contract.

3. SUBCONTRACTORS

Contractor agrees to bind every subcontractor by terms of this Contract as far as such terms are applicable to subcontractor's work on the Work. If Contractor subcontracts any part of this Contract, Contractor shall be fully responsible to the District for acts and omissions of his subcontractor and of persons either directly or indirectly employed by himself. Nothing contained in the Contract documents shall create any contractual relations between any subcontractor and the District.

4. SAFETY AND SECURITY

4.1 It shall be the responsibility of the Contractor to ascertain from the District the rules and regulations pertaining to safety, security and driving on school grounds, particularly when students are present.

4.2 Contractor, and Contractor's employees, subcontractors, and others under Contractor's control, shall abide by the District's rules and regulations at all times while on District property.

5. DEFAULT BY CONTRACTOR

5.1 If Contractor, or any subcontractor or vendor, fails to deliver any article or service or shall deliver any article or service which does not conform to the Service specifications, the District may, upon five (5) business days' prior written notice describing the default, at its option, annul and set aside the contract entered into with said Contractor, subcontractor or vendor, either in whole or in part, and make and enter into a new contract in such manner as seems to the Board of Education to be the best advantage of the District in accordance with the law.

5.2 Any failure for furnishing such articles or service by reason of the failure of the Contractor, subcontractor or vendor, as above stated, shall be a liability against the Contractor and his sureties.

5.3 The District Board of Education reserves the right to cancel any articles or services which the Contractor may be unable to furnish because of economic conditions, governmental regulations, or other similar causes beyond the control of the Contractor, provided that satisfactory proof is furnished to the Board of Education, if requested.

6. AMENDMENTS AND MODIFICATION

This Contract may be amended or modified only by mutual agreement in writing signed by both Parties.

7. WORKERS

Contractor shall at all times enforce strict discipline and good order among his or her employees and shall not employ any unfit person or anyone not skilled in work assigned to him or her to perform the Work under this Contract. Any person in the employ of the Contractor whom the District may deem incompetent or unfit shall be dismissed from the job site and shall not again be employed at site without written consent from the District.

8. SUBSTITUTIONS

No substitutions of materials from those specified in the Work Specifications shall be made without the prior written approval of the District.

9. CONTRACTOR SUPERVISION

Contractor shall provide competent supervision of personnel employed on the job site, use of equipment, and quality of workmanship.

10. CLEAN-UP

The Contractor shall remove all debris resulting from the Work from the premises. The Contractor shall ensure that the job site is in order at all times when work is not actually being performed and that it is maintained in a reasonably clean condition.

11. ACCESS TO WORK

The District representatives shall at all times have access to the work site wherever the Work is in preparation or progress. The Contractor shall provide safe and proper facilities for such access.

12. PROTECTION OF WORK AND PROPERTY

The Contractor shall erect and properly maintain at all times, as required by conditions of progress of the Work, all necessary safeguards, signs, barriers, lights, and watchmen for protections of workmen and the public, and shall post danger signs warning against hazards created by such features in the course of construction. In an emergency affecting life, or safety of life or of work or of adjoining property, the Contractor, without special instruction or authorization from the District, is permitted to act at his or her discretion to prevent such threatened loss or injury.

13. OCCUPANCY

The District reserves the right to occupy buildings at any time before formal Contract completion and such occupancy shall not constitute final acceptance or approval of any part of the work covered by this Contract nor shall such occupancy extend the date specified for substantial completion of the work.

14. ASSIGNMENT OF CONTRACT AND PURCHASE ORDER;

The Contractor shall not assign, or transfer by operation of law or otherwise, any or all of the Contractor's rights, burdens, duties, or obligations under this contract without the prior written consent of the District.

15. FORCE MAJEURE CLAUSE

The Parties to the Contract shall be excused from performance of their obligations thereunder during the time, and to the extent, that they are prevented from obtaining, delivering, or performing by act of God, fire, strike, loss or shortage of transportation facilities, lock-out, commandeering of materials, products, plants or facilities by the government, when satisfactory evidence thereof is presented to the other Party, provided that it is satisfactorily established that the non-performance is not due to the fault or neglect to the Party not performing.

16. HOLD HARMLESS AGREEMENT

The Contractor shall save, defend, hold harmless and indemnify the District from and against any and all losses, damage, liabilities, claims and costs of whatsoever kind and nature for injury to death of any person and for loss or damage to any property occurring in connection with or in any way incident to or arising out of the occupancy, use, service, operations, or performance of Work under the terms of this Contract, resulting in whole or in part from the negligent acts or omissions, or the willful misconduct, of the Contractor, any subcontractors, or any employee, agent or representative of Contractor and/or its subcontractors. This provision shall survive the termination of this Contract.

17. PAYMENT

- 17.1 Notwithstanding the terms of paragraph 4 of the Specific Conditions, the Contractor shall render invoices for materials delivered or services performed under the Contract on a bi-weekly basis. These invoices shall be for informational purposes only.
- 17.2 The District shall make payment for materials, supplies or other services furnished under this Contract in lump sum on completion of the work within thirty (30) days after delivery to and approval by the authorized District representative of all invoices and other documentary evidence reasonably required by the District (which approval shall not be unreasonably withheld).
- 17.3 The District's obligation to pay the Contractor is subject to the provisions of paragraph 4 of the Specific Conditions above.

18. PERMITS AND LICENSES

The Contractor and all of the Contractor's employees, agents, and subcontractors shall secure and maintain in force, at no cost to the District, such licenses and permits as are required by law, in connection with the furnishing of materials, supplies, or services for the Work.

19. CONTRACTOR NOT OFFICER, EMPLOYEE, OR AGENT OF DISTRICT

19.1 While engaged in carrying out other terms and conditions of the Contract, the Contractor is an independent Contractor, and not an officer, employee, agent, partner, or joint venture of the District. The Parties acknowledge that this Contract does not create an employer-employee relationship.

19.2 Contractor is responsible for withholding or deducting any taxes required to be withheld or deducted from any payments made by the District to Contractor pursuant to this Contract.

21. ANTI-DISCRIMINATION

It is the policy of the District that in connection with all work performed under construction and purchasing contracts, there be no discrimination against any employee engaged in the work because of race, color, sex, ancestry, national origin, or religious creed, and therefore, the Contractor agrees to comply with the applicable Federal and California Laws, including but not limited to: the California Fair Employment Practice Act, beginning with Labor Code, Section 1410 and Labor Code, Section 1735. In addition, the Contractor agrees to require such compliance by all subcontractors employed on the work by him or her.

22. LABOR CODE

The Contractor shall comply with the applicable provisions of the California Labor Code, Division 3, Part 7, Chapter 1, Articles 1-5, including the payment of the general prevailing wage rates for public works projects of more than One Thousand Dollars (\$1,000). Copies of the prevailing wage rate of per diem wages are available from the Supervisor of Maintenance.

23. CONTRACTOR'S AND SUBCONTRACTOR'S INSURANCE

The Contractor shall not commence work under this Contract until he or she has obtained the insurance required under this paragraph and satisfactory proof of such insurance has been submitted to the District and said insurance has been approved by the District. Except for worker's compensation insurance, the policy shall not be amended or modified and the coverage amount shall not be reduced without the District's prior written consent. The District shall be named as an additional insured and be furnished thirty (30) days written notice prior to cancellation. The Contractor shall not allow any subcontractor, employee or agent to commence work on this contract or any subcontract until the insurance required of the Contractor, subcontractor or agent has been obtained and the conditions set forth in paragraph 3 of the Specific Conditions above have been met.

23.1 WORKER'S COMPENSATION INSURANCE

The Contractor shall procure and shall maintain during the life of this contract Worker's Compensation Insurance on all of his or her employees to be engaged in work on the project under this contract and in case of any such work sublet, the contractor shall require the subcontractor similarly to provide Worker's Compensation Insurance for all of the latter's employees to be engaged in such work unless such employees are covered by the protection afforded by the Contractor's Worker's Compensation Insurance.

23.2 CONTRACTOR'S PUBLIC LIABILITY AND PROPERTY DAMAGE INSURANCE

23.2.1 The Contractor shall procure and shall maintain during the life of this contract, Contractor's Public Liability Insurance in an amount not less than \$1,000,000 for injuries, including accidental death to any one person, and subject to the same limit for each person, in an amount not less than \$1,000,000 on account of one accident, and Contractor's Property Damage Insurance in an amount no less than \$1,000,000. Any subcontractor employed in connection with the work shall maintain such insurance unless the Contractor's insurance covers the subcontractor and its employees.

23.2.2 Prior to the commencement of the Work, the Contractor shall provide to the District certificates and endorsements of insurance naming the District as an additional insured on the insurance policies required in paragraph 23.2.1.

24. COMPLIANCE WITH LAWS

24.1 Contractor shall give all notices and comply with the laws, ordinances, rules and regulation bearing on conduct or the Work as indicated or specified in this Contract or as required by law. If Contractor observes that any of the Work required by this Contract is in conflict with any such laws, ordinances, rules or regulations, Contractor shall notify the District, in writing, and at the sole option of the District, any necessary changes to the scope of Work shall be made and this Contract shall be appropriately amended in writing. In the alternative, the District may terminate this Contract effective upon Contractor's receipt of a written termination notice for the District.

24.2 If Contractor performs any Work knowing it to be in violation of such laws, ordinances, rules or regulations, Contractor shall bear all costs arising therefrom.

25. TIME IS OF THE ESSENCE

Time is of the essence in the performance of and compliance with each of the provisions and conditions of this Contract.

26. GOVERNING LAW AND VENUE

This Contract shall be governed by and construed in accordance with the laws of the State of California. Venue shall be in Glenn County, California.

27. ATTORNEYS' FEES

If any action is brought by either Party against the other Party hereunder, the prevailing Party shall be entitled to recover from the other Party reasonable attorneys' fees, costs and expenses incurred in connection with the prosecution or defense of such action.

28. PROVISIONS REQUIRED BY LAW DEEMED INSERTED

Each and every provision of law and cause required by law to be inserted in this Contract shall be deemed to be inserted herein and this Contract shall be read and enforced as though it were included therein.

29. ASBESTOS HAZARD EMERGENCY RESPONSE ACT (AHERA)

All contract work that is performed for the District by outside Contractors or workers must meet all of the regulations that have been set forth in the AHERA rule. This means that all work which could disturb the integrity of any Asbestos containing Building Material (A.C.B.M.) needs to be approved by the District. This refers to the sawing, grinding, cutting, or drilling of any A.C.B.M. in occupied areas of District buildings.

30. SMOKING

No smoking is allowed on District property and said policy is to be strictly enforced by the Contractor.

31. FINGER PRINTING

AB2102 requires that Contractors meet one of the following criteria;

31.1 Employer and Employees who may come into contact with pupils have submitted finger prints to and been cleared by the Department of Justice.

31.2 A physical barrier is installed between the pupils and the work site.

31.3 Continuous supervision of employees is provided by a finger printed Contractor employee who has received Department of Justice clearance.

31.4 Continuous supervision of employees is provided by a District employee, at the expense of the Contractor.

32. COUNTERPARTS

This Contract may be executed in counterparts, each of which shall be deemed an original, but all of which, together, when signed by all of the Parties hereto, shall constitute one and the same instrument. An electronic or facsimile signature shall be as valid as an original.

33. APPROVAL OF GOVERNING BOARD

This Contract shall not be binding upon the District until the District's Governing Board has approved all the terms and conditions contained herein.

34. WAIVER

Waiver of a breach or default under this Contract shall not constitute a continuing waiver of a subsequent breach of the same or any other provision under this Contract.

35. ENTIRE AGREEMENT

This Contract represents the entire agreement between the Parties concerning the Work and supersedes all prior negotiations, representations or agreements, either written or oral related to the Work.

36. STANDARD OF CARE

The Contractor shall provide and perform the Work specified in Exhibit A in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently operating under similar circumstances, who are specially qualified to provide the services required by the District.

39. SEVERABILITY

In the event that any provision of this Contract is construed to be illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining provisions hereof, but such illegal or invalid provision shall be fully severable, and this Contract shall be construed and enforced as if such illegal or invalid provision had never been included herein, unless to do so would frustrate the intent and purpose of the Parties in entering into this Contract.

40. NOTICE

Any notice under this Contract may be given to the following contacts by: (1) personal service; (2) registered U.S. mail with return receipt requested; (3) courier with tracking and proof of delivery requested; 4) electronic mail; or 5) facsimile. Notice shall be effective on the date it is received.

41. WARRANTY OF AUTHORITY

The individual executing this Contract on behalf of each Party warrants that he/she is authorized to execute the Contract on behalf of that Party and that the Party will be bound by the terms and conditions contained herein.

"I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for Worker's Compensation or to undertake self insurance in accordance with provisions of that code, and I will comply with such provisions before commencing the performance of the work of this Contract."

NOTE: Federal Regulations (Code Sections 6041 and 6209) require non-corporate recipients of \$600.00 or more to furnish their taxpayer identification number to the payer. The regulations also provide that a penalty may be imposed for failure to furnish the taxpayer identification number. In order to comply with these regulations, the DISTRICT requires your federal tax identification number or Social Security Number, whichever is applicable.

Exhibit A

BID FORM

TO: Willows Unified School District acting by and through its Governing Board, herein called the "The Owner":

1. Pursuant to and in compliance with your Notice to Contractors Calling for Bids and the other documents relating thereto, the undersigned bidder, having thoroughly examined and familiarized himself, herself, or itself with the terms of the contract, the local conditions affecting the performance of the contract and the cost of the work at the place where the work is to be done, and with the drawings and specifications and other contract documents, hereby proposes and agrees to perform, within the time stipulated, the contract, including all of its component parts, and everything required to be performed, and to provide and furnish any and all of the labor, materials, tools, expendable equipment, and all utility and transportation services necessary to perform the contract and complete in a workmanlike manner all of the work required in connection with

The Willows Unified School District High School Roofing Project 2017

all in strict conformity with the drawings and specifications and other contract documents submits the following bid:

Base Bid

FIVE HUNDRED THIRTY-EIGHT THOUSAND AND ^{NO}/₁₀₀ Dollars
(\$ 538,000.⁰⁰)

Add/Alt Bid for phase #2

N/A Dollars
(\$)

Amount of **OVERHEAD** (to include bonds, insurance, and supervision) and profit to be added or deducted for change orders: 15 %

Time for Completion: The Contractor must complete the contracted work within _____

___Sixty___ (__60__) days from the date listed on the written Notice to Proceed, unless an extension or extensions of time or suspension of work is authorized as provided in the Contract documents. Should the Contractor fail to perform the work contracted for under this Agreement within the Contract Period, plus, if any, approved extension(s) of time, the Owner will deduct from any money due or that may become due the Contractor under the Contract the sum of five hundred dollars (\$500.00) per day as liquidated damages as fully set forth in the contract documents.

Supplemental Bid Conditions:

1. The Owner reserves the right to reject this bid.
2. Contractor's bid, unless timely revoked by Contractor, shall remain open and not be withdrawn for the period specified in the Notice to Contractors Calling for Bids.
3. Contractor guarantees that it will perform the above-referenced construction services in accordance with the attached Lump Sum Bid and Schedule of Values for a period of twelve (12) months from the date that the Board approves the written agreement.
4. Contractor has completed and signed the attached Schedule of Values. The Schedule of Values shall become part of the contract documents and shall be relied upon by the Owner in the event there are revisions in the scope of work in this contract. The Contractor acknowledges that the total value on the Schedule of Values equals the based proposal amount. The Contractor has carefully checked all of the figures on the schedule of values and the Bid Form and understands that the Owner will not be responsible for any errors or omissions on the part of the Contractor in presenting this bid.
5. Contractor shall have ten (10) calendar days, from the date it receives written notice from the Owner or its Architect that the Owner has accepted its proposal, to sign the enclosed Contract documents and furnish the necessary bonds and insurance certificated to the Owner. The Contractor's failure to sign in a timely manner and return the necessary contract documents shall constitute a material breach of the Contractor's obligations.
6. Contractor shall prosecute the work in a prompt, diligent and workmanlike manner. It is understood and agreed that the work shall be completed within the number of calendar days stated on the Proposal Form from the date stipulated on the written Notice to Proceed, unless extension of time or suspension of the work is authorized as provided in the Conditions of the Contract.
7. Contractor has examined the location of the proposed work and is familiar with the Drawings and other Contract Documents and the local conditions at the place where the work is to be done.

Supplemental Matters

1. The required bid security is attached hereto.
2. Non-collusion affidavit is attached hereto.
3. The required list of proposed subcontractors is attached hereto.
4. It is understood and agreed that bidder shall provide the addresses, telephone numbers, and license numbers of all listed subcontractors within one business day of bid opening or bidder's bid may be rejected as non-responsive.
5. Notice of acceptance or requests for additional information should be addressed to Contractor at the address stated below.
6. The names of all persons interested in the foregoing proposal as principals are as follows:

Name of Corporation/Partnership/Sole Proprietorship Presenting Bid: _____

DON C GEORGE INC. dba GEORGE ROOFING

Donald C George Title: President

Daniel J DeLany Title: Secretary

_____ Title: _____

_____ Title: _____

_____ Title: _____

(IMPORTANT NOTICE: If bidder or other interested person is a corporation, state legal name of corporation, also names of the president, secretary, treasurer, and manager thereof. If the bidder is a partnership, please state true name of firm, also names of all individual partners comprising the firm. If bidder is a sole proprietorship, please state first and last names of owner(s) in full.)

7. Bidder certifies that he is licensed in accordance with the law providing for the registration of Contractors, License No. 452266 , Expiration Date 02/28/2018, class of license B, C20, C39, C43

I/We, the Corp. Secretary of the bidder, hereby certify under penalty of perjury under the laws of the State of California, that all of the information submitted by the bidder in connection with this bid and all of the representations made herein are true and correct.

Executed on this 23rd day of February at Butte County, California.

Exhibit B

BID BOND

KNOW ALL MEN BY THESE PRESENTS: THAT we, Don C. George, Inc. dba George Roofing
as Principal, and Nationwide Mutual Insurance Company, as Surety, are held and firmly
bound unto the Willows Unified School District, hereinafter called the Owner, in
the penal sum of ten PERCENT (10 %) OF THE TOTAL AMOUNT OF
THE BID of the Principal submitted to the said Owner for the work described below for the payment of
which sum in lawful money of the United States, well and truly to be made, we bind ourselves, our heirs,
executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH that whereas the Principal has submitted the
accompanying bid dated

February 23, 20 17 for High School Roofing Project 2017.

NOW, THEREFORE, if the Principal shall not withdraw said bid within the period specified therein after
the opening of the same, or, if no period be specified, within sixty (60) days after said opening; and, if
the Principal be awarded the contract, and shall within the period specified therefore, or, if no period be
specified, within five (5) days after the prescribed forms are presented to him for signature, enter into a
written contract with the Owner, in accordance with the bid as accepted and give bond with good and
sufficient surety or sureties, as may be required, for the faithful performance and proper fulfillment of
such contract and for the payment for labor and materials used for the performance of the contract, or
in the event of the withdrawal of said bid within the period specified or the failure to enter into such
contract and give such bonds within the time specified, if the Principal shall pay the Owner the
difference between the amount specified in said bid and the amount for which the City may procure the
required work and/or supplies, if the latter amount be in excess of the former, together with all costs
incurred by the Owner in again calling for bids, then the above obligation shall be void and of no effect,
otherwise to remain in full force and virtue.

Surety, for value received, hereby stipulates and agrees that no change, extension of time, alteration or
addition to the terms of the contract on the call for bids, or to the work to be performed there under, or
the specifications accompanying the same, shall in anywise affect its obligation under this bond, and it
does hereby waive notice of any such change, extension of time, alteration or addition to the terms of
said contract or the call for bids, or to the work, or to the specifications.

In the event suit is brought upon this bond by the Owner and judgment is recovered, the Surety shall
pay all litigation expenses incurred by the Owner in such suit, including reasonable attorneys' fees, court
costs, expert witness fees and investigation expenses.

IN WITNESS WHEREOF, the above-bound parties have executed this instrument under their several seals this 17th day of February, 20 17, the name and corporate seal of each corporate party being hereto affixed and these presents duly assigned by its undersigned representative, pursuant to authority of its governing body.

\$500,000.00

and to bind the Company thereby, as fully and to the same extent as if such instruments were signed by the duly authorized officers of the Company; and all acts of said Attorney pursuant to the authority given are hereby ratified and confirmed.

This power of attorney is made and executed pursuant to and by authority of the following resolution duly adopted by the board of directors of the Company:

"RESOLVED, that the president, or any vice president be, and each hereby is, authorized and empowered to appoint attorneys-in-fact of the Company, and to authorize them to execute and deliver on behalf of the Company any and all bonds, forms, applications, memorandums, undertakings, recognizances, transfers, contracts of indemnity, policies, contracts guaranteeing the fidelity of persons holding positions of public or private trust, and other writings obligatory in nature that the business of the Company may require; and to modify or revoke, with or without cause, any such appointment or authority; provided, however, that the authority granted hereby shall in no way limit the authority of other duly authorized agents to sign and countersign any of said documents on behalf of the Company."

"RESOLVED FURTHER, that such attorneys-in-fact shall have full power and authority to execute and deliver any and all such documents and to bind the Company subject to the terms and limitations of the power of attorney issued to them, and to affix the seal of the Company thereto; provided, however, that said seal shall not be necessary for the validity of any such documents."

This power of attorney is signed and sealed under and by the following bylaws duly adopted by the board of directors of the Company.

Execution of Instruments. Any vice president, any assistant secretary or any assistant treasurer shall have the power and authority to sign or attest all approved documents, instruments, contracts, or other papers in connection with the operation of the business of the company in addition to the chairman of the board, the chief executive officer, president, treasurer or secretary; provided, however, the signature of any of them may be printed, engraved, or stamped on any approved document, contract, instrument, or other papers of the Company.

IN WITNESS WHEREOF, the Company has caused this instrument to be sealed and duly attested by the signature of its officer the 13th day of February, 2014.

Terrance Williams, President and Chief Operating Officer of Nationwide Agribusiness Insurance Company and Farmland Mutual Insurance Company; and Vice President of Nationwide Mutual Insurance Company, AMCO Insurance Company, Allied Property and Casualty Insurance Company, and Depositors Insurance Company

ACKNOWLEDGMENT

STATE OF IOWA, COUNTY OF POLK: ss

On this 13th day of February, 2014, before me came the above-named officer for the Companies aforesaid, to me personally known to be the officer described in and who executed the preceding instrument, and he acknowledged the execution of the same, and being by me duly sworn, deposes and says, that he is the officer of the Companies aforesaid, that the seals affixed hereto are the corporate seals of said Companies, and the said corporate seals and his signature were duly affixed and subscribed to said instrument by the authority and direction of said Companies.

Sandy Alitz
Notarial Seal - Iowa

CERTIFICATE

I, Robert W Horner III, Assistant Secretary of the Companies, do hereby certify that the foregoing is a full, true and correct copy of the original power of attorney issued by the Company; that the resolution included therein is a true and correct transcript from the minutes of the meetings of the boards of directors and the same has not been revoked or amended in any manner; that said Terrance Williams was on the date of the execution of the foregoing power of attorney the duly elected officer of the Companies, and the corporate seals and his signature as officer were duly affixed and subscribed to the said instrument by the authority of said board of directors; and the foregoing power of attorney is still in full force and effect.

IN WITNESS WHEREOF, I have hereunto subscribed my name as Assistant Secretary, and affixed the corporate seals of said Companies this 17th day of November, 20 17.

Robert W Horner III
Assistant Secretary

This Power of Attorney Expires March 24, 2017

Exhibit C

DESIGNATION OF SUBCONTRACTORS

In compliance with the Subletting and Subcontracting Fair Practices Act (chapter 4 (commencing at section 4100), part 1, division 2 of the Public Contract Code of the State of California) and any amendments thereof, each bidder shall set forth below: (a) the name and the location of the place of business of each subcontractor who will perform work or labor or render service to the prime contractor in or about the construction of the work or improvement to be performed under this contract or a subcontractor licensed by the State of California who, under subcontract to the prime contractor, specially fabricates and installs a portion of the work or improvement according to detailed drawings contained in the plans and specifications in an amount in excess of one-half of one percent of the prime contractor's total bid and (b) the portion of the work which will be done by each subcontractor under this contract. The prime contractor shall list only one subcontractor for each such portion as is defined by the prime contractor in this bid.

If a prime contractor fails to specify a subcontractor or if a prime contractor specifies more than one subcontractor for the same portion of work to be performed under the contract in excess of one-half of one percent of the prime contractor's total bid, he shall be deemed to have agreed that he is fully qualified to perform that portion himself, and that he shall perform that portion himself.

No prime contractor whose bid is accepted shall (a) substitute any subcontractor, (b) permit any subcontract to be voluntarily assigned or transferred or allow it to be performed by anyone other than the original subcontractor listed in the original bid, or (c) sublet or subcontract any portion of the work in excess of one-half of one percent of the prime contractor's total bid as to which his original bid did not designate a subcontractor, except as authorized in the Subletting and Subcontracting Fair Practices Act. Subletting or subcontracting of any portion of the work in excess of one-half of one percent of the prime contractor's total bid as to which no subcontractor was designated in the original bid shall only be permitted in cases of public emergency or necessity, and then only after a finding reduced to writing as a public record of the authority awarding this contract setting forth the facts constituting the emergency or necessity.

In addition to providing the information required by this form prior to the bid opening, bidder shall be required to submit the addresses, telephone numbers, and license numbers of all listed subcontractors within one business day of the bid opening. Failure to provide the foregoing information within the time limit specified may result in the rejection of the bid as non-responsive.

Appendix D

CONTRACTOR'S CERTIFICATE REGARDING WORKERS' COMPENSATION

Labor Code Section 3700:

"Every Employer except the State shall secure the payment of compensation in one or more of the following ways:

By being insured against liability to pay compensation by one or more insurers duly authorized to write compensation insurance in this State.

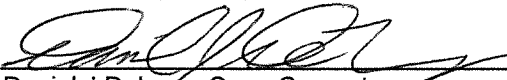

By securing from the Director of Industrial Relations a certificate of consent to self-insure, which may be given upon furnishing proof satisfactory to the Director of Industrial Relations of ability to self-insure and to pay any compensation that may become due to his or her employees.

For all political subdivisions of the State, including each member of a pooling arrangement under a joint exercise of powers agreement (but not the State itself), by securing from the Director of Industrial Relations a certificate of consent to self-insure against workers' compensation claims, which certificate may be given upon furnishing proof satisfactory to the director of ability to administer workers' compensation claims properly, and to pay workers' compensation claims that may become due to its employees. On or before May 31, 1979, a political subdivision of the State, which, on December 31 1978, was uninsured for its liability to pay compensation, shall file a properly completed and executed application for a certificate of consent to self-insure against workers' compensation claims. The certificate shall be issued and be subject to the provisions of Section 3702."

I am aware of the provisions of Section 3700 of the Labor Code, which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract.

DON C GEORGE INC.

Proper Name of the Contractor

By: 
Daniel J DeLany, Corp. Secretary

Signature of Contractor

(In accordance with Article 5 [commencing at Section 1860], Chapter 1, Part 7, Division 2 of the Labor Code, the above certificate must be signed and filed with the awarding body prior to performing any work under this contract_)

Appendix E

NONCOLLUSION AFFIDAVIT TO BE EXECUTED BY BIDDER AND SUBMITTED WITH BID

State of California)sis

County of Butte

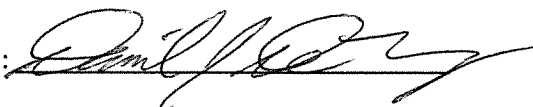

Daniel J DeLany, Being first duly sworn, deposes

and says that he or she is of the party making the foregoing bid that the bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation; that the bid is genuine and not collusive or sham; that the bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid, and has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or that anyone shall refrain from bidding; that the bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder, to secure any advantage against the public body awarding the contract of anyone interested in the proposed contract; that all statements contained in the bid are true; and further, that the bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, or paid, and will not pay, any fee to any corporation, partnership, company association, organization, bid depository, or to any member or agent thereof to effectuate a collusive or sham bid.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

SECTION 07563
FLUID APPLIED ROOFING RESTORATION

PART 1 GENERAL

1.1 SECTION INCLUDES

- A. Built-Up Mineral Modified Surface Roof Restoration (1.4.C.7/8 and 9)(2.4)

1.2 SCOPE OF WORK

- A. Supply all labor, equipment and non-owner supplied materials to restore the existing built up roofing system.
- B. Remove all debris from roof.
- C. Pressure wash the roof.
- D. Install 10 new drains to match existing. Location to be provided by District.
- E. Apply primer per specification.
- F. Seal all penetrations, curbs, etc per specification.
- G. In locations where the fascia metal is being replaced, cut the roof edge back 4", install new fascia, install new low rise gravel stop in mastic, three course with Flashing Bond and Garmesh.
- H. Apply Energizer Lo base coat per specification.
- I. Embed polyester reinforcement per specification.
- J. Apply Energizer LO top coat per specification.
- K. Apply roofing granules per specification.
- L. Apply Pyramic per specification.

1.3 REFERENCES

- A. ASTM C 1250 - Standard Test Method for Nonvolatile Content of Cold Liquid-Applied Elastomeric Waterproofing Membranes.
- B. ASTM D 5 - Standard Test Method for Penetration of Bituminous Materials.
- C. ASTM D 816 - Standard Test Methods for Rubber Cements.
- D. ASTM D 1863 - Standard Specification for Mineral Aggregate Used on Built-Up Roofs.
- E. ASTM D 2939 - Standard Test Methods for Emulsified Bitumens Used as Protective Coatings.
- F. ASTM D 4479 - Standard Specification for Asphalt Roof Coatings - Asbestos-Free.

- G. South Coast AQMD Standards.
- H. SMACNA Architectural Sheet Metal Manual.
- I. ANSI/SPRI ES-1 - Testing and Certification Listing of Shop Fabricated Edge Metal
- J. National Roofing Contractors Association (NRCA) - Roofing and Waterproofing Manual.

1.4 SYSTEM DESCRIPTION

- A. Built-Up Smooth or Mineral Modified Surface Restoration: Renovation work includes:
 - 1. Surface preparation: Remove loose mineral, dust, dirt, and debris.
 - 2. Primer: Prime entire roof surface.
 - 3. Base Coat: Apply base coat over entire roof surface.
 - 4. Reinforcement: For mineral surfaced systems install full fabric reinforcement/ topcoat entire roof surface.
 - 5. Install roofing minerals into the coating while it is wet.
 - 6. Apply cool roof coating.

1.5 SUBMITTALS

- A. Submit under provisions of Section 01300.
- B. Product Data: Manufacturer's data sheets on each product to be used, including:
 - 1. Preparation instructions and recommendations.
 - 2. Storage and handling requirements and recommendations.
 - 3. Installation methods.
- C. Shop Drawings: Submit shop drawings including installation details of roofing, flashing, fastening, insulation and vapor barrier, including notation of roof slopes and fastening patterns of insulation and base modified bitumen membrane, prior to job start.
- D. Verification Samples: For each product specified, two samples, minimum size 6 inches (150 mm) square, representing actual product, and color.
- E. Manufacturer's Certificates: Certify products meet or exceed specified requirements.
- F. Closeout Submittals: Provide manufacturer's maintenance instructions that include recommendations for periodic inspection and maintenance of all completed roofing work. Provide product warranty executed by the manufacturer. Assist Owner in preparation and submittal of roof installation acceptance certification as may be necessary in connection with fire and extended coverage insurance on roofing and associated work.

1.6 QUALITY ASSURANCE

- A. Perform Work in accordance with NRCA Roofing and Waterproofing Manual.
- B. Manufacturer Qualifications: Manufacturer: Company specializing in manufacturing products specified in this section with documented ISO 9001 certification and minimum twelve years and experience.
- C. Installer Qualifications: Company specializing in performing Work of this section with minimum five years documented experience and a certified Pre-Approved Garland Contractor.
- D. Installer's Field Supervision: Maintain a full-time Supervisor/Foreman on job site during all phases of roofing work while roofing work is in progress.

- E. Product Certification: Provide manufacturer's certification that materials are manufactured in the United States and conform to requirements specified herein, are chemically and physically compatible with each other, and are suitable for inclusion within the total roof system specified herein.
- F. Source Limitations: Obtain all components of roof system from a single manufacturer. Secondary products that are required shall be recommended and approved in writing by the roofing system Manufacturer. Upon request of the Architect or Owner, submit Manufacturer's written approval of secondary components in list form, signed by an authorized agent of the Manufacturer.

1.7 PRE-INSTALLATION CONFERENCE

- A. Convene a pre-roofing conference approximately two weeks before scheduled commencement of roofing system installation and associated work.
- B. Require attendance of installers of deck or substrate construction to receive roofing, installers of rooftop units and other work in and around roofing which must precede or follow roofing work including mechanical work, Owner, roofing system manufacturer's representative.
- C. Objectives include:
 1. Review foreseeable methods and procedures related to roofing work, including set up and mobilization areas for stored material and work area.
 2. Tour representative areas of roofing substrates, inspect and discuss condition of substrate, roof drains, curbs, penetrations and other preparatory work.
 3. Review structural loading limitations of deck and inspect deck for loss of flatness and for required attachment.
 4. Review roofing system requirements, Drawings, Specifications and other Contract Documents.
 5. Review and finalize schedule related to roofing work and verify availability of materials, installer's personnel, equipment and facilities needed to make progress and avoid delays.
 6. Review required inspection, testing, certifying procedures.
 7. Review weather and forecasted weather conditions and procedures for coping with unfavorable conditions, including possibility of temporary roofing.
 8. Record conference including decisions and agreements reached. Furnish a copy of records to each party attending.

1.8 DELIVERY, STORAGE, AND HANDLING

- A. Deliver and store products in manufacturer's unopened packaging with labels intact until ready for installation.
- B. Store all roofing materials in a dry place, on pallets or raised platforms, out of direct exposure to the elements until time of application. Store materials at least 4 inches above ground level and covered with "breathable" tarpaulins.
- C. Stored in accordance with the instructions of the manufacturer prior to their application or installation. Store roll goods on end on a clean flat surface. No wet or damaged materials will be used in the application.
- D. Store at room temperature wherever possible, until immediately prior to installing the roll. During winter, store materials in a heated location with a 50 degree F (10 degree C) minimum temperature, removed only as needed for immediate use. Keep materials away from open flame or welding sparks.

- E. Avoid stockpiling of materials on roofs without first obtaining acceptance from the Architect/Engineer.
- F. Adhesive storage shall be between the range of above 50 degree F (10 degree C) and below 80 degree F (27 degree C). Area of storage shall be constructed for flammable storage.

1.9 PROJECT CONDITIONS

- A. Maintain environmental conditions (temperature, humidity, and ventilation) within limits recommended by manufacturer for optimum results. Do not install products under environmental conditions outside manufacturer's absolute limits.
- B. Weather Condition Limitations: Do not apply roofing system during inclement weather or when a 40 percent chance of precipitation or greater is expected.
- C. Proceed with roofing work only when existing and forecasted weather conditions will permit unit of work to be installed in accordance with manufacturer's recommendations and warranty requirements.
- D. Do not expose materials vulnerable to water or sun damage in quantities greater than can be weatherproofed during same day.
- E. When applying materials with spray equipment, take precautions to prevent over spray and/or solvents from damaging or defacing surrounding walls, building surfaces, vehicles or other property. Care should be taken to do the following:
 - 1. Close air intakes into the building.
 - 2. Have a dry chemical fire extinguisher available at the jobsite.
 - 3. Post and enforce "No Smoking" signs.
- F. Avoid inhaling spray mist; take precautions to ensure adequate ventilation.
- G. Protect completed roof sections from foot traffic for a period of at least 48 hours at 75 degrees F (24 degrees C) and 50 percent relative humidity or until fully cured.
- H. Take precautions to ensure that materials do not freeze.
- I. Minimum temperature for application is 40 degrees F (4 degrees C) and rising for solvent based materials and 50 degrees F (10 degrees C) and rising for water based.

1.10 WARRANTY

- A. Upon completion of the work, provide the Manufacturer's written and signed limited labor and materials Warranty, warranting that, if a leak develops in the roof during the term of this warranty, due either to defective material or defective workmanship by the installing contractor, the manufacturer shall provide the Owner, at the Manufacturer's expense, with the labor and material necessary to return the defective area to a watertight condition.
 - 1. Warranty Period:
 - a. 10 years: 5 years from date of acceptance plus 5 additional years after required inspection by Garland.
- B. Installer is to guarantee all work against defects in materials and workmanship for a period indicated following final acceptance of the Work.
 - 1. Warranty Period:
 - a. 2 years from date of acceptance.

PART 2 PRODUCTS

2.1 MANUFACTURERS

- A. Acceptable Manufacturer: Garland Company, Inc. Local Representative Justin Holliman 530-965-0884.

2.2 ROOF RESTORATION SYSTEM FOR BUILT-UP SMOOTH OR MINERAL MODIFIED SURFACE ROOFS

- A. Energizer LO:
 - 1. Primer: Garla-Prime VOC.
 - 2. Coating: Energizer LO.
 - 3. Flashing: Seal all curb corners.
 - 4. Reinforcement: full fabric reinforcement.
 - a. Grip Polyester Firm.
 - 5. Surfacing:
 - a. Roofing granules.
 - b. Cool roof coating.

PART 3 EXECUTION

3.1 EXAMINATION

- A. Do not begin installation until substrates have been properly prepared.
- B. Verify that work penetrating the roof deck, or which may otherwise affect the roofing, has been properly completed.
- C. If substrate preparation is the responsibility of another installer, notify Architect of unsatisfactory preparation before proceeding.

3.2 ROOF PREPARATION AND REPAIR

- A. General:
 - 1. Seal all pipes, penetrations, etc. with mastic and reinforcement.
- B. Prepare surfaces using the methods recommended by the manufacturer for achieving the best result for the substrate under the project conditions.
- C. Repair all defects such as deteriorated roof decks; replace saturated insulation board, replace loose or brittle membrane or membrane flashings. Verify that existing conditions meet the following requirements:
 - 1. Existing membrane is either fully adhered or that the membranes mechanical fasteners are secured and functional.
- D. Remove all loose dirt and foreign debris from the roof surface. Do not damage roof membrane in cleaning process.
- E. Clean and seal all parapet walls, gutters and coping caps, and repair any damaged metal where necessary. Seal watertight all fasteners, pipes, drains, vents, joints and penetrations where water could enter the building envelope.
- F. Clean the entire roof surface by removing all dirt, algae, paint, oil, talc, rust or foreign substance. Use a 10 percent solution of TSP (tri-sodium phosphate), Simple Green and warm water. Scrub heavily soiled areas with a brush. Rinse with fresh water to remove all TSP solution. Allow roof to dry thoroughly before continuing.
- G. Repair existing roof membrane as necessary to provide a sound substrate for the liquid membrane. All surface defects (cracks, blisters, tears) must be repaired with similar

materials.

- H. Pre-Treatment of Known Growth - General Surfaces: Once areas of moss, mold, algae and other fungal growths or vegetation have been removed and surfaces have also been thoroughly cleaned, apply a biocide wash at a maximum spread rate of 0.2 gallons/square (0.08 liters/m), to guard against subsequent infection. Allow to dry onto absorbent surfaces before continuing with the application. On non-absorbent surfaces, allow to react before thoroughly rinsing to remove all traces of the solution.

3.3 INSTALLATION

- A. General Installation Requirements:
 - 1. Install in accordance with manufacturer's instructions. Apply to minimum coating thickness required by the manufacturer.
 - 2. Cooperate with manufacturer, inspection and test agencies engaged or required to perform services in connection with installing the roof system.
 - 3. Insurance/Code Compliance: Where required by code, install and test the roofing system to comply with governing regulation and specified insurance requirements.
 - 4. Protect work from spillage of roofing materials and prevent materials from entering or clogging drains and conductors. Replace or restore work damaged by installation of the roofing system.
 - 5. All primers must be top coated within 24 hours of application. Re-prime if more time passes after priming.
 - 6. Keep roofing materials dry during application. Phased construction can be allowed as long as no, more than 7 days pass between coats excluding primers.
 - 7. Coordinate counter flashing, cap flashings, expansion joints and similar work with work specified in other Sections under Related Work.
 - 8. Coordinate roof accessories and miscellaneous sheet metal accessory items, including piping vents and other devices with work specified in other Sections under Related Work.
- B. Smooth or Mineral Surface Restoration: Renovation work includes:
 - 1. Surface preparation: Remove all loose roofing granules, dirt and foreign debris from the roof surface.
 - 2. Flashing:
 - 1) Seal all vertical laps of flashing membrane with a three-course application of Garla Flex and Garmesh.
 - 2) Seal junction of flashing membrane and roof with a three-course application of Garla Flex and Garmesh.
 - b. Metal Flashings: Repair/Replace metal flashings, pitch pockets, etc.
 - 3. Primer: Prime entire roof surface at 1/2 gallon per 100 SF.
 - 4. Coating: Apply top coat as soon as possible after embedding reinforcement.
 - a. Apply Energizer LO Coating to entire roof surface at 3.0 gallons per 100 SF.
 - b. Embed polyester.
 - c. Apply Energizer LO Coating to entire polyester surface at 3.0 gallons per 100 sq ft.
 - 5. Surfacing: Install roofing minerals into the coating while it is wet at a rate of 60 lbs per 100 sq ft. Contractor to return a minimum of 14 days after installation to remove loose granules.
 - 6. Apply Pyramic over the existing Energizer LO at a rate of 1.5 gallons base coat and 1.5 gallons top coat. Both base coat and top coat must be back rolled.

3.4 CLEANING

- A. Clean-up and remove daily from the site all wrappings, empty containers, paper, loose particles and other debris resulting from these operations.

- B. Remove asphalt markings from finished surfaces.
- C. Repair or replace defaced or disfigured finishes caused by Work of this section.

3.5 PROTECTION

- A. Provide traffic ways, erect barriers, fences, guards, rails, enclosures, chutes and the like to protect personnel, roofs and structures, vehicles and utilities.
- B. Protect exposed surfaces of finished walls with tarps to prevent damage.
- C. Plywood for traffic ways required for material movement over existing roofs shall be not less than 5/8 inch (16 mm) thick.
- D. In addition to the plywood listed above, an underlayment of minimum 1/2 inch (13 mm) recover board is required on new roofing.
- E. Special permission shall be obtained from the Manufacturer before any traffic shall be permitted over new roofing.

3.6 FIELD QUALITY CONTROL

- A. Require attendance of roofing materials manufacturers' representatives at site during installation of the roofing system.
- B. Perform field inspection and [and testing] as required under provisions of Section 01410.
- C. Correct defects or irregularities discovered during field inspection.

3.7 FINAL INSPECTION

- A. At completion of roofing installation and associated work, meet with Contractor, Architect, installer, installer of associated work, roofing system manufacturer's representative and others directly concerned with performance of roofing system.
- B. Walk roof surface areas, inspect perimeter building edges as well as flashing of roof penetrations, walls, curbs and other equipment. Identify all items requiring correction or completion and furnish copy of list to each party in attendance.
- C. If core cuts verify the presence of damp or wet materials, the installer shall be required to replace the damaged areas at his own expense.
- D. Repair or replace deteriorated or defective work found at time above inspection as required to a produce an installation that is free of damage and deterioration at time of Substantial Completion and according to warranty requirements.
- E. Architect upon completion of corrections.
- F. Following the final inspection, provide written notice of acceptance of the installation from the roofing system manufacturer.

3.8 PROTECTION

- A. Protect installed products until completion of project.
- B. Touch-up, repair or replace damaged products before Substantial Completion.

3.9 SCHEDULES

- A. Primers:
 - 1. All-Knight Primer/ All-Stallion Primer: copolymer sealant that prevent staining and degradation of surface coatings when installed over smooth or granulated asphalt, coal tar modified bitumen, or smooth asphalt BUR membranes.
 - a. Non-Volatile Solids % by Weight, ASTM 3960: 28-32 %
 - b. Non-Volatile Solids % by Volume, ASTM 3960: 25-28 %
 - c. pH: 8-10
 - d. Wet Film Thickness @ 1 gal./100 sq. ft.: 16 mils (microns 406.4)
 - e. Flash Point PMCC: None
 - f. Drying Time, Touch @ 70 degrees F (21.1 degrees C) /50% R.H.: 1-2 hrs.
 - g. Viscosity @ 77 degrees F (25 degrees C) Brookfield RVT, #4 Spindle; 20 rpm, ASTM 2196: 3000-5000 cPs
 - h. VOC: 30 g/l max

- B. Coatings:
 - 1. Coating: Energizer LO: Asphaltic polyurethane based, low-odor, liquid waterproofing membrane.
 - a. Non Volatile, ASTM C 1250: 82%
 - b. Ash Content, ASTM D 5040: 19%
 - c. Density, ASTM D 1475: 9.4 lb./gal. (1.13 g/cm3)
 - d. Viscosity @ 77 degrees F (25 degrees C), Brookfield RVT, Spindle #5, 50: rpm 6,500 cP
 - e. Flash Point. ASTM D 93: Minimum 100 degrees F (37.7 degrees C)
 - f. Elongation @ 77 degrees F (25 degrees C), ASTM D 412: Typical 1100%
 - g. Water Absorption: < 0.7%
 - h. Compound Stability: Passes 220 degrees F (104.4 degrees C)
 - i. VOC: 204 g/l

- C. Reinforcement/Base Coat
 - 1. Grip Polyester Firm: Strong, rigid polyester reinforcing fabric.

3.10 OWNER SUPPLIED MATERIALS

Contractor must include in their base bid any additional materials to complete the roofing project. Contractor must provide all labor to install owner supplied materials as part of their bid. All materials not specifically included in the owner supplied materials section will be the responsibility of the contractor to provide and install in compliance with section 07 56 10. Freight charges of Owner supplied materials will be the responsibility of the Owner. Contractor must take delivery of materials, properly cover and store at jobsite or their shop. Contractor must be able to provide certification in writing from roof system manufacturer that the contractor is approved to install the specified roof system and provide all warranty requirements of section 07 56 10. The Owner will supply the following materials and quantities.

- A. 7826-5 Energizer LO 5 gallon pails – 1,150
- B. 7467-55-U Pyramic 55 gallon drums – 52
- C. 7619-55 Garla Prime VOC 55 gallon drums – 9
- D. 7110-5 Flashing Bond 5 gallon pails – 109
- E. 4840-6 Garmesh 6" x 150' roll – 38
- F. 4876 Polyester Firm 1,000 sq ft rolls – 98
- G. 22 gauge standard color 4' x 10' flat sheets - 200
