

WILLOWS UNIFIED SCHOOL DISTRICT
Office of the Superintendent

Management Report

DATE: March 2, 2017

AGENDA TOPIC: 2016-17 CARS (Consolidated Application and Reporting System)* Winter collection

PRESENTER: Ellen Hamilton, Director of State & Federal Programs

BACKGROUND INFORMATION:

The Consolidated Application (ConApp) is used by the California Department of Education (CDE) to distribute categorical funds from various state and federal programs to county offices, school districts, and direct-funded charter schools throughout California. Annually, in May, each local educational agency (LEA) submits the spring release of the application to document participation in these programs and provide assurances that the district will comply with the legal requirements of each program. Program entitlements are determined by formulas contained in the laws that created the programs.

The winter release of the application is submitted in January of each year and contains the district entitlements for each funded program. Out of each state and federal program entitlement, districts allocate funds for indirect costs of administration, for programs operated by the district office, and for programs operated at schools.

**Due to the new reporting system (California Application and Reporting System - CARS), the submission of the reports will be in two parts: Winter and Spring.*

RECOMMENDATION:

Approval of the CARS Winter collection assures funding to the district and schools for supplemental programs/services to staff and students. Approval is recommended.

2016-17 Certification of Assurances

Submission of Certification of Assurances is required every fiscal year. A complete list of legal and program assurances for the fiscal year can be found at <http://www.cde.ca.gov/fg/aa/co/ca16asstoc.asp>.

2016-17 Other ESEA Nonprofit Private School Participation

The LEA must offer to provide equitable services that address the needs of nonprofit private school students, teachers and other educational personnel under the programs listed below.

Title II, Part A Improving Teacher and Principal Quality

The LEA must offer to provide Title II, Part A equitable services that address the needs of nonprofit private school students, teachers and other educational personnel. The enrollment numbers are reported under penalty of perjury by each private school on its annual Private School Affidavit. The information filed in the Private School Affidavit is not verified and the CDE takes no position as to its accuracy. It is expected that districts engaged in private school consultation verify nonprofit status and the accuracy of student enrollment data if it is being used for the purpose of providing equitable services.

Note: Non-unified elementary and/or high school districts that have applied for Title II, Part A funds have the option to add a shared attendance area nonprofit private school if they wish to share responsibility for that school's Title II equitable services.

Title III, Part A Immigrant and Limited English Proficient Student Subgrant Program

On an annual basis, the LEA must consult with all nonprofit private schools within its boundaries, as to whether the private school students and teachers will participate in the Title III, Part A English Language Acquisition, Language Enhancement, and Academic Achievement Program. Consultation with appropriate nonprofit private school officials must be done during the design and development of programs and before decisions are made that affect the opportunities of students and teachers to participate. LEAs may not require documentation that poses an administrative barrier that is inconsistent to their responsibility to ensure equitable participation of private school students and teachers.
