

WILLOWS UNIFIED SCHOOL DISTRICT
Office of the Superintendent

DATE: June 18, 2018

AGENDA TOPIC: Local Control Accountability Plan (LCAP) – Public Hearing

PRESENTER: Ellen Hamilton, Director of State & Federal Programs

BACKGROUND INFORMATION:

The LCAP is an important component of the Local Control Funding Formula (LCFF). Under the LCFF all LEAs are required to prepare an LCAP, which describes how they intend to meet annual goals for all pupils, with specific activities to address state and local priorities identified pursuant to EC Section 52060(d).

As part of the LCFF, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP), beginning on July 1, 2017, using a template adopted by the California State Board of Education (SBE).

The LCAP is a three-year plan that describes the goals, actions, services, and expenditures to support positive student outcomes that address state and local priorities. The LCAP provides an opportunity for local educational agencies (LEAs) to share their stories of how, what, and why programs and services are selected to meet their local needs.

Other accountability components include:

- LEAs must obtain parent and public input in developing, revising, and updating LCAPs.
- County superintendents must review school district LCAPs and ensure alignment of projected spending, services, and goals.

RECOMMENDATION:

This is a Public Hearing.

2017-20 Plan Summary

The Story

Describe the students and community and how the LEA serves them.

Willows Unified School District (WUSD) is located in the city of Willows in rural Glenn County, approximately 85 miles north of Sacramento. The city of Willows is the county seat of Glenn County. It is a diverse, evolving rural area of Northern California, distinctively different from large urban areas. The city extends across the west-central portion of the Sacramento Valley. The district boundary is bordered by the mountainous forests of the Mendocino National Forest on the West and the Sacramento River on the East. To the north it extends to include the town of Artois and to the south it extends to the county line. The closest major city is Chico in Butte County to the east. The city of Willows has a population of approximately 6,100.

The district currently serves approximately 1,444 students in grades TK – 12. The district has been in declining enrollment for several years. The district maintains three comprehensive schools and one alternative education site. The three comprehensive schools include Murdock Elementary, TK-5; Willows Intermediate School, 6-8; and Willows High School, 9-12. There is one alternative education school which includes Willows Continuation High School, 10-12. Willows Unified School District serves a diverse population, with 40.51% Anglo, 49.31% Hispanic, 4.57% Asian, 2.35% Native American, .69% African American, and 1.59% other ethnicities.

WUSD serves all students by providing opportunities for students to obtain excellent education through classic academics. With a strong emphasis on hands-on learning, programs such as the Career Technical Education (CTE) Agriculture Manufacturing Pathway, Medical Pathway, and Home Economics and Transportation courses provide student opportunities to learn and develop the skills necessary to become problem solvers, leaders, entrepreneurs, and educated consumers. Our

schools provide other educational opportunities outside the classroom, including athletics, music, associated student body leadership, and various clubs.

Mission Statement:
“Preparing today’s students for tomorrow’s challenges”

Vision Statement:
Willows Unified School District provides a safe, engaging, student focused learning environment where each student:

- Realizes his/her full potential
- Develops respect and tolerance for self and others
- Becomes a productive member of our global society.

Goals:

1. Adhere to state mandated accountability criteria related to the Local Control Funding.
2. Be financially capable of supporting all of the District's obligations.
3. Provide clear, concise, and current District policies.
4. Ensure safe, clean, orderly, and drug-free campuses that promote a positive learning environment.
5. Recruit and retain the highest quality personnel.
6. Provide and maintain adequate facilities to house students and support all program needs.
7. Develop and maintain a TK-12 curriculum that is aligned with State Standards and supports the needs of all students.
8. Implement effective instruction to engage all students.
9. Collaborate with students, parents, and the community in developing greater cultural awareness, tolerance, and understanding.
10. Develop and maintain good communication between the District, parents, and the community.
11. Integrate student and staff members' use of technology to improve achievement and performance in all subject areas.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

Through the analysis of our state and local data and input from staff and stakeholders, we identified focus areas to be addressed to achieve our Mission: “Preparing today’s students for tomorrow’s challenges.” The plan includes goals to improve achievement for all students. WUSD was able to emphasize on three areas for improvements: high suspension rates, low ELA scores, and low math scores. It also includes specific actions and services that target achievement for students who are not meeting grade-level standards. In addition to our goals for student’s achievement, we have actions and services designed to support healthy lifestyles for student including social, emotional, and physical well-being. Based on this process, the actions and services fell into the following areas of influence: 1. a safe school culture and climate with quality teachers who are credentialed and students have access to services/materials aligning to state standards; 2. Improving connections and achievement where students gain mastery of the core knowledge and skills to succeed inside and outside the classroom; 3. Effective family and school partnerships to support student achievement and school improvement.

Key LCAP actions to support these areas are: Teacher Induction Program, Professional Development for staff/teachers, facilities safe and in good repair, increasing student and parental involvement, and expanding the in-school suspension program while promoting excellent attendance.

Goal 1: Conditions of Learning:

Willows Unified School District will optimize the conditions of student learning by providing broad courses of study taught by highly competent, effective teachers who will maintain instructional programs that are standards-aligned, intellectually challenging, and developmentally appropriate for all learners while using appropriate instructional materials in well-maintained school facilities.

Goal 2: Pupil Outcomes:

Willows Unified School District will provide high quality classroom instruction and curriculum that promote college and career readiness with academic interventions in place to better ensure student success.

Goal 3: Engagement:

Willows Unified School District will foster a climate of student engagement, involvement, and connectedness that will be demonstrated in strong attendance and graduation rates; low suspension and expulsion rates; a culture that promotes student and employee safety, as well as opportunities for meaningful student, parent, community involvement and input.

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

Willows Unified School District is proud of their graduation rate which is at a high level of 97.6%. We have increased significantly from last year by 7.5% according to the CA School Dashboard. Our graduation rates for the following subgroups also increased: English Learners (+20.5%), Socioeconomically Disadvantaged (+10.5%), Hispanics (+8%), and White (+5.4%). With the high graduation rate, 34% students are identified as "Prepared" and 47% "Approaching Prepared." WUSD will work to improve school attendance by continuing to build teacher-student relationships, encouraging extracurricular participation, and implementing behavior support programs.

There has also been growth in Math scores in WUSD according to the CAASPP Data. As a district, WUSD had an increase of math by +2.10%. There was growth in math at Murdock Elementary of +.87% from the previous year, and Willows High School of +9.38% from the previous year. Our American Indian subgroup also had a significant increase in math by +31.5 points. Our American Indian also had a significant increase in ELA by 35.6 points. WUSD will continue to work with all teachers by providing coaches to identify and assist with implementing sound instructional teaching practices, constant monitoring of student progress, and involving parents in education.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

WUSD is making progress and did not meet Priority 4 (Suspension) and Priority 6 (Academic Indicators). According to the CA School Dashboard, our suspension rate increased significantly by +5.6% of very high at 8.1%. WUSD has a high suspension rates for all students. WUSD will continue to support teachers in ELA and Math through providing Professional Development and coaching to bolster positive teaching and student success.

To address our Suspension Rate, WUSD will do the following:

- Check to see that our discipline codes are translated correctly from Aeries to CALPADS
- Review and Improve School policies
- Educate staff and implement restorative justice practices
- Build and strengthen student-staff relationships (empower students & social norms change)

WUSD has declined or maintained low ELA and Math scores. WUSD will continue to support teachers in ELA and Math through providing Professional Development and coaching to bolster positive teaching and student success.

WUSD is 53.2 points (orange) below level 3 (green) in ELA. To address the gap, the following actions and services are included in LCAP Goals 1 & 2:

- Goal 1-2.2 WUSD will continue to provide professional development for ELA/ELD.
- Goal 1-4.1 WUSD will provide Professional Development to coach and support teacher/practitioner growth to increase student learning.
- Goal 1-6.2 WUSD will ensure access to rigorous academic curriculum in all core content areas and career and college planning guidance with an emphasis on EL students.
- Goal 2-1.1/2.1 Teachers will implement "Sound Instructional Practices" related to Explicit Direct Instruction.

WUSD is 68.9 points (Orange) below level 3 (green) in Math. To address the gap, the following actions and services are included LCAP Goals 1 & 2:

- Goal 1-2.1 WUSD will provide CPM Professional Development and support for math teachers in grades 7-12.
- Goal 1-4.1 WUSD will provide Professional Development to coach and support teacher/practitioner growth to increase student learning.
- Goal 1-6.2 WUSD will ensure access to rigorous academic curriculum in all core content areas and career and college planning guidance with an emphasis on EL students.
- Goal 2-1.1/2.1 Teachers will implement "Sound Instructional Practices" related to Explicit Direct Instruction.

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

According to the CA School Dashboard, WUSD Suspension rate was red in all subgroups except for Asians. To address the Suspension gap, the following actions and services are included in LCAP Goal 3:

- 6.1 WUSD schools will bolster positive programs that encourage student attendance, as well as, create consequences for students' truancy (e.g. PASS-Positive Alternative School Suspension).
- 7.1 WUSD will use SARB more effectively to monitor student attendance and accountability.
- 8.1/9.1 WUSD will provide professional development opportunities for staff to become trauma-informed and investigate evidence based strategies such as the Positive Behavior Support and Intervention Supports, Restorative Practices and Justice, etc.
- 8.2/9.2 Positive Behavior Interventions and Supports (PBIS) will be implemented at the elementary level.

WUSD shows homeless, English Learners, and students with disabilities as student groups with the highest needs. To address the needs of the following subgroups, the following actions and services are included in the LCAP Goals:

- Homeless:
 - Goal 3-8.3/9.3 WUSD will apply for the MTSS Grant and use the funds to support students in academics, behavioral, and social –emotional learning.
 - Goal 3-12.1 WUSD will continue to provide additional support for students to meet with teachers in the beginning of school and after-school for remedial and enriched learning.
- English Learners:
 - Goal 2-7.3/8.3 WUSD will ensure that EL students with Special Ed. needs have the accommodations to support them in school.
 - Goal 3-2.1 WUSD will hire bilingual interpreters during orientations/meetings, etc.
 - Goal 3-2.2 WUSD will provide a Parent Education Night with an emphasis for our subgroups (e.g. training using Parent Portals in Aeries, Parent Literacy Nights, etc.)
- WUSD will also continue to work with the Glenn County Office of Education to provide the services needed for students with disabilities as indicated in our Performance Indicator Review (PIR):
 - Collaboration with general education and education specialist staff around identifying the accommodations needed for each student and how to support the student using these accommodations during classroom and statewide assessments.
 - Support for students to take the interim assessments intermittently.
 - Focused data analysis on Special Education results and individual student placements.

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

Increased or Improved services

- Low-Income (LI)-
 - Goal 2-4.1 WUSD will provide counseling, intervention, aides, and tutoring services including SPARK, ASAP, as needed, for all students, with an emphasis for Homeless, Foster Youth, Special Education, and Low Income.
 - Goal 3-8.3/9.3 WUSD will apply for the MTSS Grant and use the funds to support students in academics, behavioral, and social –emotional learning.
 - Goal 3-12.1 WUSD will continue to provide additional support for students to meet with teachers in the beginning of school and after-school for remedial and enriched learning.
- English Learners (ELs)-

- o Goal 2-7.1/8.1 WUSD will utilize Rosetta Stone for the new comers.
 - o 7.2/8.2 ELD teachers will develop a plan to identify long term ELs to become proficient, and implement and modify the plan to increase the redesignation rate of LTEL.
 - o 7.3/8.3 WUSD will ensure that EL students with Special Ed. needs have the accommodations to support them in school.
 - o 7.4/8.4 WUSD ELD teachers will attend two ELPAC trainings: Fall for Initial Assessment and Spring for Summative Assessment.
- Foster/Homeless Youth-
- o Goal 2-4.2 WUSD will coordinate with the Glenn County Office of Education's Foster Youth Services Coordinating Program to ensure that programs and services for foster/homeless youths are complementary, as well as share data and information among courts, child welfare, probation, and education agencies as necessary to support the education success of students in foster care.
- o Goal 2-4.3 Developing and providing comprehensive training and resources for foster/homeless youth- specific staff the school site and district level, as well as more generalized professional development opportunities for all educators and administrators on child welfare and foster care.

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

During the 2017-2018 school year, WUSD implemented the following:

- WUSD maintenance regularly inspected and maintained facilities as needed throughout this school year. In the Fall 2017-2018, the Maintenance Lead conducted an evaluation of the facilities using the Facility Inspection Tool (FIT) and determined the overall conditions of the schools. According to the WUSD FIT for 2017-2018, each school received either a "fair" or "good" rating as reported in the 2017 SARC.
- WUSD provided Professional Development to coach and support teacher/practitioner growth to increase student learning. Artifacts included the following:
 - Observation and feedback strategies
 - Expert visitation for ELA Benchmark curriculum
 - ELD teachers attended the ELPAC Administration Scoring Training along with the ELPAC Academy to develop an understanding of how the ELPAC task types connect to California ELD Standards and how to develop formative and interim assessments based on the ELPAC task types
- WUSD teachers continued to use Google Suites to support teacher's technology use in the classroom.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

This year, there were many Professional Development Trainings to support our teachers across all boarders especially in math and ELA. We continued working with math coaches from GCOE to help with ongoing chances to meet with other teachers to be learners of mathematics and to reflect on their instruction. Teachers were also able to go to nearby districts to check out the new ELA curriculum and share it with their colleagues.

We were able to purchase new chrome carts as well as provide upgraded technology infrastructure at all school sites.

Our local General Obligation Bond was passed in November 2016, which allowed us to redo our high school gym as well as minor upgrades at each school site. The Bond will allow us to further plan for construction and investigate the possibilities of creating new projects (irrigation system, adding landscape, etc) for the years to come.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

No materials differences except utilizing Educator Effectiveness to provide technology use in the classrooms in the form of chromebooks.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Willows Unified School District will continue to optimize the conditions of student learning by providing broad courses of study taught by highly competent, effective teachers who will maintain instructional programs that are standards-aligned, intellectually challenging, and developmentally appropriate for all learners while using appropriate instructional materials in well-maintained school facilities.

We replaced Actions and Services for Goal 1: 4.4 "Google Guides will support Teachers' technology use in the classroom" to "WUSD will provide Professional Development for secretaries to expand their knowledge and skills in Aeries." This can be found in LCAP 2018-2019 Goal 1.

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

During the 2017-2018 school year, WUSD implemented the following:

- Teachers implemented "Sound Instructional Practices" related to Explicit Direct Instruction. Middle school teachers had the opportunity to observe teachers from the high school for two days.
- WUSD coordinated with Glenn County Office of Education's Foster Youth Services Coordinating program to ensure that programs and services for foster/homeless youths were in place such as counseling, intervention, and tutoring services.
- WUSD ELD Task Force Team met to discuss and modify the ELD Master Plan incorporating ELPAC.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

In January 2018, a few middle school teachers got to observe teachers at the high school. The effectiveness of "Sounds Instructional Practices" related to Explicit Direct Instruction allows our teachers to be confident about being observed and observers to feel secure in their skills of observation and feedback. With this culture of shared learning, teachers had the opportunity to receive meaningful and direct feedback about their practice and address areas for improvement.

This school year, Glenn County Office of Education (GCOE) hired a social worker who was able to work with our schools by providing basic services to our foster/homeless youth through hosting family team meetings, communicating to families, student, and teacher(s)

In regards to student grades, and working with counselors to make sure that WUSD meet AB 167 for graduation. WUSD Foster/Homeless Youth Liaisons also met about once a month to collaborate with key staff to ensure that foster/homeless youth had access to and are encouraged to participate in extracurricular activities including sports, music, etc. The district also worked with GCOE to engage in ongoing collaboration with other school districts and child welfare and probation department staff to prevent unnecessary school changes and to ensure foster youth are transported to their school of origin when in their best interest.

On April 4, the WUSD ELD Task Force met together to discuss a plan that would address ELD in terms of new comers, ELD students with disabilities, long term English Learners, and using the ELPAC for redesignation. This allowed for collaboration that focused on evaluating our ELD Master Plan and finding solutions to help students move forward as confident, accomplished citizens. The team focused on better understanding and addressing the learning gaps within our Dashboard ELD results and reflecting on instruction via classroom observation to interpret student data, design equitable assessment, to better apply effective, research-based practices in the classroom.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

No differences except Murdock 1.0 FTE ELD moved teacher to grade 1 to reduce class sizes.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Willows Unified School District will continue to provide high quality classroom instruction and curriculum that promote college and career readiness with academic interventions in place to better ensure student success. We added three additional Actions and Services for Goal 2:

- 4.3 Develop and provide comprehensive training and resources for foster/homeless youth-specific staff, the school site and district level, as well as more generalized professional development opportunities for all educators and administrators on child welfare and foster care.
 - 7.4/8.4 WUSD ELD teachers will attend two ELPAC trainings: Fall for Initial Assessment and Spring for Summative Assessment.
 - 7.5/8.5 WUSD will continue to provide teachers with Professional Development Opportunities with an emphasis on ELs.

This can be found in LCAP 2018-2019 Goal 2.

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

During the 2017-2018 school year, WUSD implemented the following:

- WUSD provided opportunities to make student connections to school (e.g. Talent Show, Movie nights, Dances, rallies, sports, character education, etc.). Willows Intermediate School was able to host a Kindness Rally that focused on students gathering together to learn about kindness and encourages students to build a school culture of kindness, caring and respect. They also focus on how they can take the things they've learned and carry them out into their schools, homes, and community.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The overall effectiveness of making connections to students, staff, and parents are crucial to the success of each individual schools. Each site was able to make connections and build relationships which fostered students' curiosity and encouraged them to take ownership of their own learning. The activities that were implemented or provided by the schools created trusting relationships among students, teachers, staff, administrators, and families. WUSD hopes that by increasing the number of students connected to school will influence critical accountability measures such as academic performance, incidents of fighting, bullying, or vandalism, absenteeism and school completion rates.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

12.1 Sites chose to utilize these dollars for before-and-after-school stipends and benefits.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Willows Unified School District will continue to foster a climate of student engagement, involvement, and connectedness that will be demonstrated in strong attendance and graduation rates; low suspension and expulsion rates; a culture that promotes student and employee safety, as well as opportunities for meaningful student, parent, community involvement and input.

We added an additional Expected Annual Measurable Outcome for Goal 3- 5.0: WUSD will provide all 5th Grade students an opportunity to go to Shady Creek to develop a feeling of personal responsibility to help preserve, conserve, and enhance our environment.

We added two additional Actions and Services for Goal 3:

- 5.1 Murdock Elementary School will offer an opportunity for 5th graders to attend Shady Creek Environmental Camp pending available funds.
- 8.3/9.3 WUSD will apply for the MTSS Grant and use the funds to support students in academics, behavioral, and social –emotional learning.

This can be found in LCAP 2018-2019 Goal 3.

Stakeholder Engagement

LCAP Year: 2018-19

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

WUSD involved many stakeholders in the development of the 2018-2019 LCAP. These stakeholders were a part of one or more of the following groups:

District School Leadership Team - Every other month beginning September 25, 2017, and ending May 21, 2018, meetings were held the last Monday of each month to discuss issues related to improving student learning and performance. These meetings provided a perfect opportunity to allow all Stakeholders (Parents, Administrators, Certificated, Board Member, Classified, and Glenn County Office of Education personnel) to become knowledgeable about the LCFF/LCAP and to provide the District with direction for 2018-19.

School Site Council/Parent Advisory Committee - Beginning in October 2017 and ending May 2018, quarterly meetings were held at all three school sites to discuss issues related to improving student learning and performance. These meetings also provided an excellent opportunity to allow School Site Council members (Parents - to include EL Parents, Certificated, Students, and Administrators) to understand the impact of the LCFF/LCAP and to provide the District with possible direction for the 2018-19 school year.

District English Language Advisory Committee (DELAC) - Met on October 17, 2017, and March 6, 2018, to discuss issues related to improving student learning and performance. Also, they spent time discussing the LCAP process.

WUSD Foster/Homeless Liaisons met monthly beginning on October 16, 2017, and ending May 21, 2018, to discuss services offered in the district/county for our Foster/Homeless Youth, as well as the LCAP process.

Monthly School Site PLC and Staff Meetings - Bi-monthly collaboration meetings, beginning the month of August 2017 and ending May 2018, were held to provide Administrators and Staff an opportunity to become educated on LCFF/LCAP and to discuss possible pathways for students.

Stakeholder Surveys - LEA personnel, Parents, Community Members, teachers, local bargaining units, and Students responded to the survey located on the District and individual school websites starting January 16, 2018 until March 30, 2018. They were able to share information from their perspectives on the State Priorities highlighted throughout the Plan and comment on issues specifically affecting them. Information was gathered to put in the LCAP where necessary.

The Community Stakeholder's Meeting was held on March 19, 2018, to provide the Parents, Students, Community Members, and Staff an opportunity to understand and provide prioritized suggestions to be included in the development of the LCFF/LCAP. Board of Education - Throughout the 2017-18 school year, the Board of Education has been presented information at their scheduled Board Meetings about the LCFF/LCAP.

In consultation with Glenn County Office of Education Foster Youth Director, WUSD Foster/Homeless Youth Liaisons, and Director of State & Federal Programs, the district met on March 14, 2017, to discuss the inclusion of Foster Youth in District Programs and the LCAP.

The Director of State & Federal Programs sent out student surveys at all the three schools in February and March 2018. Over 50 students were represented from the elementary, middle school, and high school, where their inputs were gathered and put in the LCAP where necessary.

Public Hearing - June 18, 2018, and June 21, 2018.

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

Each of the State Priorities were discussed and analyzed during these meetings which gave the Stakeholders an opportunity to understand the LCFF/LCAP and to provide input for 2018-19.

Informing and educating School Site Council/DELAC/Budget Committee members/Foster/Homeless Youth Liaisons on the LCFF/LCAP was important, along with continually trying to include information to support work on the State Priorities presented. Emphasis was placed in the areas of identifying needs for ELs, LI, and Foster/Homeless Youth at each school site for the 2018-19 school year.

When possible, Administrators shared information regarding the LCFF/LCAP to educate and to encourage input from Staff.

The online survey provided another opportunity for Stakeholders to have a voice. The results from the surveys were collected, reviewed, and where appropriate, included in the plan. This includes WUSD having more exposure to the STEM program, as well as purchasing materials that are aligned to the state standards. The online survey helped us identify needs of our schools such as incorporating civic duty in the secondary level and providing professional development for teachers, as well as offering a variety of elective courses at the secondary level.

Students provided both positive comments and areas of improvement for their school, teaching staff, and education in WUSD. Student input was essential in providing a wide spectrum of viewpoints for our schools. Feedback was taken into consideration in the development of the 2018-2019 LCAP as well as to each site Principal to review with their staff.

The Foster/Homeless Youth meetings served as a way to be informed, to be educated, and to identify the needs within the district. The district will continue to keep its Foster/Homeless Youth Liaisons and work with GCOE to provide services for this population. Information from the Community Stakeholder's Meeting was identified and prioritized in a document. Much discussion developed from the suggestions and were included in the LCAP when appropriate. Some of these suggestions included facility repair and better usage of an integrated system of support for all students.

The Board meetings provided an opportunity for Board discussion and public input as we reviewed our 2017-18 actions and services while discussing the needs for 2018-19. The goals remained the same for 2018-2019, but the metrics, actions and services slightly changed. There will be more emphasis on English Learners next year with ELPAC and ways to support our Long term English Learners. WUSD will continued to do what it has done in the past by providing more classes/opportunities for CTE Pathways and begin planning for facility construction through the passing bond.

The Public Hearing will provide the public and the Board Members an opportunity to review the draft LCAP and make additions/revision for 2018-19 and beyond, where necessary before the final approval and submission to the Glenn County Board of Education.

Unchanged Goal

Goal 1

Conditions of Learning:

Willows Unified School District will optimize the conditions of student learning by providing broad courses of study taught by highly competent, effective teachers who will maintain instructional programs that are standards-aligned, intellectually challenging, and developmentally appropriate for all learners while using appropriate instructional materials in well-maintained school facilities.

State and/or Local Priorities addressed by this goal:

State Priorities:

Priority 1: Basic (Conditions of Learning)

Priority 2: State Standards (Conditions of Learning)

Priority 7: Course Access (Conditions of Learning)

Local Priorities:

Identified Need:

Address Basic Services as measured by:

- Teacher Assignment - authorized by Commission on Teaching Credentialing (CTC). Our students need access to quality teachers, leaders and staff to gain success both inside and outside of the classroom. WUSD has 14% of the teachers assigned on "Committee on Assignment."
- Provide Standards-aligned Instructional Materials, as approved by the State Board of Education and local Board Policy at all grade levels. WUSD will purchase ELA/ELD materials at the high school level and investigate high school science materials for the 2018-2019 school year. WUSD will also look into History-Social Science curriculum for the 2019-2020 school year.
- School Facilities that are in good repair - as determined by the Facility Inspection Tool (FIT) data and the Williams Act requirements. As indicated by the latest Technology Plan, students and staff members' access to technology resources is an area in need of improvement.

Goal 2

Pupil Outcomes:

Willows Unified School District will provide high quality classroom instruction and curriculum that promote college and career readiness with academic interventions in place to better ensure student success.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 4: Pupil Achievement (Pupil Outcomes)

Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:

Identified Need:

Our students need to gain mastery of the core knowledge, critical thinking skills, and competencies outlined by the Common Core State Standards that support rigorous and culturally and linguistically relevant learning. Several indices of student performance indicate that WUSD students require support and guidance to succeed in a broad range of challenging courses preparing them to successfully enter higher education and a viable career. According to the CA Dashboard, WUSD is 53.2 points below level 3 in ELA, and 68.9 points below level 3 in Math. According to the College Board Reports, 9% of our students passed with a 3, 4, or 5 overall on the Advanced Placement Test.

Goal 3

Engagement:

Willows Unified School District will foster a climate of student engagement, involvement, and connectedness that will be demonstrated in strong attendance and graduation rates; low suspension and expulsion rates; a culture that promotes student and employee safety, as well as opportunities for meaningful student, parent, community involvement and input.

State and/or Local Priorities addressed by this goal:

State Priorities:

- Priority 3: Parental Involvement (Engagement)
- Priority 5: Pupil Engagement (Engagement)
- Priority 6: School Climate (Engagement)

Local Priorities:

Identified Need:

Family and Community Engagement is shown to have a strong correlation to student success. The number of parents participating in school and district activities will increase so that parents may help their student to be successful academically, socially, and emotionally at school, as well increase relationships between outside resources. Parents and caregivers should have the opportunity to experience and grow in leadership roles, and to feel that their voices are valued. WUSD does its best to connect to parents but still struggle to reach parents of different subgroups. Although Willows Intermediate School was able to have both a Hispanic teacher and a Hispanic parent serve on their School Site Council, WUSD still struggle to get these parents active in committees such as DELAC/ELAC. Truancy and chronic absence rates are higher among relevant subgroups, impacting student achievement, student and parent engagement, school climate, and dropout rates. WUSD number of students designated habitually truant or chronic absentee is 14.1% as indicated on 2017-2018 Dataquest.

2017-18 Actions/Services		12.1 WUSD will continue to provide additional support for students to meet with teachers in the beginning of school and after-school for remedial and enriched learning.

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: 2018-19

Estimated Supplemental and Concentration Grant Funds	Percentage to Increase or Improve Services
\$2,549,778	20.84%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

The current number and percentage of un-duplicated Free & Reduced Meal Program/English Learners/Foster Youth for Willows Unified School District (WUSD), in the 2017-18 school year is: Murdock Elementary = 611 (42% of total enrollment); Willows Intermediate School = 358 (25% of total enrollment); Willows High School = 459 (32% of total enrollment; and Willows Community High School = 16 (1% of total enrollment). As you can see, these subgroups represent a majority of the students at each school and clearly indicate a need to address all the students in the District, as well as, target the specific subgroups.

For the 2018-19 school year, WUSD will spend an estimated \$2,549,778, an increase of 20.84% over the prior year, of supplemental and concentration funds to support the EL, LI, and Foster/Homeless Youth subgroups by increasing and/or improving and maintaining services for these un-duplicated students as compared to the services provided to all students. The goal of providing additional Professional Development for all staff, lowering class sizes at all grade levels, increasing the classroom materials and supplies budget for every teacher, providing additional interventions + technology resources, implementing the SMART program district-wide, providing parent education nights, and implementing Daily Intervention time at each school will provide every student the opportunity to reach his/her potential.

For the 2018-19 school year, WUSD will spend an estimated \$2,549,778, an increase of 20.84% over the prior year, of supplemental and concentration funds to support the EL, LI, and Foster/Homeless Youth subgroups by increasing and/or improving & maintaining services for these un-duplicated students as compared to the services provided to all students by performing the following actions:

- * Provide Instructional Support Specialists for teachers to improve educational practices collaboratively;

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

- * Provide counseling as needed for all students primarily EL, LI, and Foster/Homeless Youth;
- * Ensure priority access for homeless and foster youth to tutoring and other academic and social/emotional supports.
- * Provide Parent Education Nights targeted for EL, Foster/Homeless parents;
- * Implement Daily Intervention time at each school to ensure high levels of student achievement;
- * Hire additional bilingual instructional Aides I & II to work with EL;
- * Support the after school program - SPARK, ASAP.

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: 2017-18

Estimated Supplemental and Concentration Grant Funds	Percentage to Increase or Improve Services
\$2,190,602	20.33%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

The current number and percentage of un-duplicated Free & Reduced Meal Program/English Learners/Foster Youth for Willows Unified School District (WUSD), in the 2016-17 school year is: Murdock Elementary = 505 (79% of total enrollment); Willows Intermediate School = 214 (65% of total enrollment); Willows High School = 253 (57% of total enrollment; and Willows Community High School = 18 (72% of total enrollment). As you can see, these subgroups represent a majority of the students at each school and clearly indicate a need to address all the students in the District, as well as, target the specific subgroups.

For the 2017-18 school year, WUSD will spend an estimated \$2,190,602, an increase of 20.33% over the prior year, of supplemental and concentration funds to support the EL, LI, and Foster/Homeless Youth subgroups by increasing and/or improving and maintaining services for these un-duplicated students as compared to the services provided to all students. The goal of providing additional Professional Development for all staff, lowering class sizes at all grade levels, increasing the classroom materials and supplies budget for every teacher, providing additional interventions + technology resources, implementing the SMART program district-wide, providing parent education nights, and implementing Daily Intervention time at each school will provide every student the opportunity to reach his/her potential.

Addendum

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. The LCAP is a three-year plan, which is reviewed and updated annually, as required. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the EC. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.

For additional questions or technical assistance related to completion of the LCAP template, please contact the local county office of education, or the CDE's Local Agency Systems Support Office at: 916-319-0809 or by email at: lcff@cde.ca.gov.

Plan Summary

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year.

When developing the LCAP, enter the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP.

In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the LCFF Evaluation Rubrics data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to LCFF Evaluation Rubrics means the evaluation rubrics adopted by the State Board of Education under EC Section 52064.5.

Budget Summary

The LEA must complete the LCAP Budget Summary table as follows:

- **Total LEA General Fund Budget Expenditures for the LCAP Year:** This amount is the LEA's total budgeted General Fund expenditures for the LCAP year. The LCAP year means the fiscal year for which an LCAP is adopted or updated by July 1. The General Fund is the main operating fund of the LEA and accounts for all activities not accounted for in another fund. All activities are reported in the General Fund unless there is a compelling reason to account for an activity in another fund. For further information please refer to the *California School Accounting Manual* (<http://www.cde.ca.gov/fq/ac/sa/>). (Note: For some charter schools that follow governmental fund accounting, this amount is the total budgeted expenditures in the Charter Schools Special Revenue Fund. For charter schools that follow the not-for-profit accounting model, this amount is total budgeted expenses, such as those budgeted in the Charter Schools Enterprise Fund.)
- **Total Funds Budgeted for Planned Actions/Services to Meet the Goals in the LCAP for the LCAP Year:** This amount is the total of the budgeted expenditures associated with

the actions/services included for the LCAP year from all sources of funds, as reflected in the LCAP. To the extent actions/services and/or expenditures are listed in the LCAP under more than one goal, the expenditures should be counted only once.

- **Description of any use(s) of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP:** Briefly describe expenditures included in total General Fund Expenditures that are not included in the total funds budgeted for planned actions/services for the LCAP year. (Note: The total funds budgeted for planned actions/services may include funds other than general fund expenditures.)
- **Total Projected LCFF Revenues for LCAP Year:** This amount is the total amount of LCFF funding the LEA estimates it will receive pursuant to EC sections 42238.02 (for school districts and charter schools) and 2574 (for county offices of education), as implemented by EC sections 42238.03 and 2575 for the LCAP year respectively.

Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's* approved LCAP; in addition, list the state and/or local priorities addressed by the planned goals. Minor typographical errors may be corrected.

* For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

Annual Measurable Outcomes

For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

Actions/Services

Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the **actual** actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

Analysis

Using actual annual measurable outcome data, including data from the LCFF Evaluation Rubrics, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided

in the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. *EC* identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. *EC* requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, *EC* Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

Instructions: The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, enter the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

School districts and county offices of education: Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students, school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Charter schools: Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

School districts and county offices of education: The LCAP is a three-year plan, which is reviewed and updated annually, as required.

Charter schools: The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

New, Modified, Unchanged

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

Goal

State the goal. LEAs may number the goals using the "Goal #" box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

Related State and/or Local Priorities

List the state and/or local priorities addressed by the goal. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. ([Link to State Priorities](#))

Identified Need

Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the LCFF Evaluation Rubrics, as applicable.

Expected Annual Measurable Outcomes

For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the [LCAP Template Appendix](#), sections (a) through (d).

Planned Actions/Services

For each action/service, the LEA must complete either the section "For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement" or the section "For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement." The LEA shall not complete both sections for a single action.

For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement

Students to be Served

The "Students to be Served" box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by entering "All", "Students with Disabilities", or "Specific Student

Group(s)". If "Specific Student Group(s)" is entered, identify the specific student group(s) as appropriate.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must identify "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identifying the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:

Students to be Served

For any action/service contributing to the LEA's overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see Demonstration of Increased or Improved Services for Unduplicated Students section, below), the LEA must identify the unduplicated student group(s) being served.

Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify the scope of service by indicating "LEA-wide", "Schoolwide", or "Limited to Unduplicated Student Group(s)". The LEA must identify one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, enter "LEA-wide."
- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, enter "schoolwide".
- If the action/service being funded and provided is limited to the unduplicated students identified in "Students to be Served", enter "Limited to Unduplicated Student Group(s)".

For charter schools and single-school school districts, "LEA-wide" and "Schoolwide" may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use "LEA-wide" to refer to all schools under the charter and use "Schoolwide" to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use "LEA-wide" or "Schoolwide" provided these terms are used in a consistent manner through the LCAP.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering “Specific Schools” and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, “All Schools” and “Specific Schools” may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

Actions/Services

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may be grouped together. LEAs may number the action/service using the “Action #” box for ease of reference.

New/Modified/Unchanged:

- Enter “New Action” if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.
- Enter “Modified Action” if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.
- Enter “Unchanged Action” if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.
 - If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may enter “Unchanged Action” and leave the subsequent year columns blank rather than having to copy/paste the action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

Note: The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

Charter schools may complete the LCAP to align with the term of the charter school’s budget that is submitted to the school’s authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the “Goals, Actions, and Services” section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

Budgeted Expenditures

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by EC sections 52061, 52067, and 47606.5.

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity’s budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the "Demonstration of Increased or Improved Services for Unduplicated Students" table and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the current year LCAP. Retain all prior year sections for each of the three years within the LCAP.

Estimated Supplemental and Concentration Grant Funds

Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to *California Code of Regulations, Title 5 (5 CCR) Section 15496(a)(5)*.

Percentage to Increase or Improve Services

Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to *5 CCR Section 15496(a)(7)*.

Consistent with the requirements of *5 CCR Section 15496*, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:

- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.
- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.

- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

State Priorities

Priority 1: Basic Services addresses the degree to which:

- A. Teachers in the LEA are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- B. Pupils in the school district have sufficient access to the standards-aligned instructional materials; and
- C. School facilities are maintained in good repair.

Priority 2: Implementation of State Standards addresses:

- A. The implementation of state board adopted academic content and performance standards for all students, which are:
 - a. English Language Arts – Common Core State Standards (CCSS) for English Language Arts

 - i. Next Generation Science Standards
 - j. Visual and Performing Arts
 - k. World Language; and
- B. How the programs and services will enable English learners to access the CCSS and the ELD standards for purposes of gaining academic content knowledge and English language proficiency.

Priority 3: Parental Involvement addresses:

- A. The efforts the school district makes to seek parent input in making decisions for the school district and each individual school site;
- B. How the school district will promote parental participation in programs for unduplicated pupils; and
- C. How the school district will promote parental participation in programs for individuals with exceptional needs.

Priority 4: Pupil Achievement as measured by all of the following, as applicable:

- A. Statewide assessments;
- B. The Academic Performance Index;
- C. The percentage of pupils who have successfully completed courses that satisfy University of California (UC) or California State University (CSU) entrance requirements, or programs of study that align with state board approved career technical educational standards and framework;
- D. The percentage of English learner pupils who make progress toward English proficiency as measured by the California English Language Development Test (CELDT);
- E. The English learner reclassification rate;
- F. The percentage of pupils who have passed an advanced placement examination with a score of 3 or higher; and
- G. The percentage of pupils who participate in, and demonstrate college preparedness pursuant to, the Early Assessment Program, or any subsequent assessment of college preparedness.

Priority 5: Pupil Engagement as measured by all of the following, as applicable:

- A. School attendance rates;
- B. Chronic absenteeism rates;
- C. Middle school dropout rates;
- D. High school dropout rates; and
- E. High school graduation rates;

Priority 6: School Climate as measured by all of the following, as applicable:

- A. Pupil suspension rates;
- B. Pupil expulsion rates; and
- C. Other local measures, including surveys of pupils, parents, and teachers on the sense of safety and school connectedness.

Priority 7: Course Access addresses the extent to which pupils have access to and are enrolled in:

- A. A broad course of study including courses described under *EC* sections 51210 and 51220(a)-(i), as applicable;
- B. Programs and services developed and provided to unduplicated pupils; and
- C. Programs and services developed and provided to individuals with exceptional needs.

Priority 8: Pupil Outcomes addresses pupil outcomes, if available, for courses described under *EC* sections 51210 and 51220(a)-(i), as applicable.

Priority 9: Coordination of Instruction of Expelled Pupils (COE Only) addresses how the county superintendent of schools will coordinate instruction of expelled pupils.

Priority 10. Coordination of Services for Foster Youth (COE Only) addresses how the county superintendent of schools will coordinate services for foster children, including:

- A. Working with the county child welfare agency to minimize changes in school placement
- B. Providing education-related information to the county child welfare agency to assist in the delivery of services to foster children, including educational status and progress information that is required to be included in court reports;
- C. Responding to requests from the juvenile court for information and working with the juvenile court to ensure the delivery and coordination of necessary educational services; and
- D. Establishing a mechanism for the efficient expeditious transfer of health and education records and the health and education passport.

Local Priorities address:

- A. Local priority goals; and
- B. Methods for measuring progress toward local goals.

APPENDIX A: PRIORITIES 5 AND 6 RATE CALCULATION INSTRUCTIONS

For the purposes of completing the LCAP in reference to the state priorities under *EC* sections 52060 and 52066, as applicable to type of LEA, the following shall apply:

- (a) "Chronic absenteeism rate" shall be calculated as follows:
 - (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where "chronic absentee" means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
 - (3) Divide (1) by (2).
- (b) "Middle School dropout rate" shall be calculated as set forth in 5 CCR Section 1039.1.
- (c) "High school dropout rate" shall be calculated as follows:
 - (1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
 - (2) The total number of cohort members.
 - (3) Divide (1) by (2).
- (d) "High school graduation rate" shall be calculated as follows:
 - (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
 - (2) The total number of cohort members.
 - (3) Divide (1) by (2).
- (e) "Suspension rate" shall be calculated as follows:
 - (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
 - (3) Divide (1) by (2).
- (f) "Expulsion rate" shall be calculated as follows:
 - (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
 - (3) Divide (1) by (2).

Sections 6312 and 6314.

APPENDIX B: GUIDING QUESTIONS

Guiding Questions: Annual Review and Analysis

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to *EC* Section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Guiding Questions: Stakeholder Engagement

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in *EC* Section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to *EC* sections 52062, 52068, or 47606.5, as applicable, including engagement with representatives of parents and guardians of pupils identified in *EC* Section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR Section 15495(a)?

- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Guiding Questions: Goals, Actions, and Services

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning": Basic Services (Priority 1), the Implementation of State Standards (Priority 2), and Course Access (Priority 7)?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes": Pupil Achievement (Priority 4), Pupil Outcomes (Priority 8), Coordination of Instruction of Expelled Pupils (Priority 9 – COE Only), and Coordination of Services for Foster Youth (Priority 10 – COE Only)?
- 3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement": Parental Involvement (Priority 3), Pupil Engagement (Priority 5), and School Climate (Priority 6)?
- 4) What are the LEA's goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in *EC* Section 42238.01 and groups as defined in *EC* Section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual school sites?
- 10) What information was considered/reviewed for subgroups identified in *EC* Section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to *EC* Section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

Prepared by the California Department of Education, October 2016
