Request For Placement on the Board Agenda:

AGENDA TOPIC: Replace 1990 Food Service Van

PRESENTER: Debby Beymer, Director of Business Services

[] Information / Discussion [X] Action

BACKGROUND

Due to the age and condition of the 1990 van currently used, district administration is requesting the purchase of a new 2017 van for our district wide Food Services Program. The existing van continues to break down which costs the district in repairs and in down time for employees who are attending to the issues.

After surveying the employees in the Food Service Program, they desire a lift in lieu of a ramp for access to loading and unloading food service carts and materials.

Quote from Corning Ford: Transit 150 MR Van	\$26,725.00
Installation of Lift (their cost)	\$ 9,390.00
Plus Est. Tax and License	<u>\$ 3,000.00</u>
	<u>\$37,915.00</u>

Quote from Corning Chevrolet: City Express Van	\$26,725.00
--	-------------

Corning Chevrolet quoted us on a smaller version than the Ford and may not meet the needs of our program. They were sent the dimensions required to accommodate our equipment and information regarding the need for a lift. Corning Chevrolet did not provide any information regarding the additional necessary equipment.

Corning Ford is able to match the price on the Chevrolet Van and they will have the lift installed before we take possession. Corning Ford has also offered \$1,000 trade in on the 1990 van.

RECOMMENDATION:

District administration recommends the board approve the purchase of the Ford Transit 150 with lift.
