

Policy 5117: Interdistrict Attendance

Status: ADOPTED

Original Adopted Date: 05/02/2019 | **Last Revised Date:** 03/05/2020 | **Last Reviewed Date:** 03/05/2020

The Board of Education recognizes that parents/guardians of students who reside within the geographic boundaries of one district may, for a variety of reasons, desire to enroll their children in a school in another district.

Interdistrict Attendance Agreements and Permits

The Board may enter into an agreement with any other school district, for a term not to exceed five school years, for the interdistrict attendance of students who are residents of the districts. (Education Code 46600)

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed upon by both districts for reapplication and/or revocation of the student's permit. (Education Code 46600)

Upon receiving a permit for transfer into the district that has been approved by the student's district of residence, or upon receiving a written request from the parent/guardian of a district student who wishes to enroll in another district, the Superintendent or designee shall review the request and may approve or deny the permit subject to the terms and conditions of the interdistrict attendance agreement.

Transportation

Upon parent/guardian request, the district shall provide transportation assistance to a student receiving an interdistrict transfer who is eligible for free and reduced-price meals and is the child of an active duty military parent/guardian or a victim of bullying, as defined in Education Code 46600. (Education Code 46600)

In addition, upon request of a student's parent/guardian, the Superintendent or designee may authorize transportation for any interdistrict transfer student to and from designated bus stops within the attendance area of the school that the student attends if space is available.
